I came to some conclusions while putting together this issue, packed (like **Kim Kardashian's ass!**) with *brand-new* paparazzi pix, so I'll wager these are *some* things a celeb snapper will *never* say: "Hey, guys—**Penélope Cruz** is trying to enjoy some juicy beach reading; let's leave her in peace, okay?" Also: "**Britney** in a bikini that has the word 'Kills' printed across the crotch? I'm photographing those senior citizens on a bicycle-built-for-two, instead!" And: "So **Simona Fusco's ginormous jugs** just popped out of her bikini top. Big deal!" **Sophie Monk** on set, however? Camera *cream*.—LILSHAMETONGUE

# FRESH FLESH

Finally nude on screen in *Sex and Death 101*, waifish Winona Ryder bares her sweater-smugglers in this summer's raunchiest DVD! Joining her, a fleshy feast of brand-new first-timers & old-school **Skinner**s!

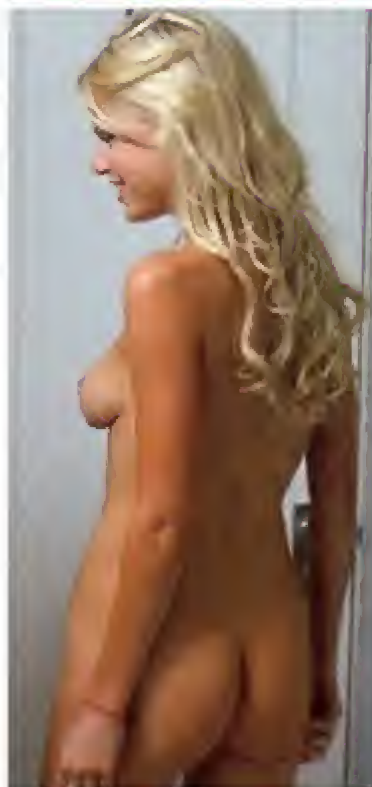

## SOPHIE MONK

**SOPHIE SINGS!:** "Hit me with that feelin'/Now you got me breathin' (over and over)/I need you as my lover/I'll love you 'til the end of tonight" From "Get The Music On"/CALENDAR GIRL

**NOT FOR REAL MONKS:** Like her *Sex and Death 101* (2007, all) co-starlet, Jess Kiper, Sophie "stuck out" as a *big-bazoomed blonde-shell* when she, too, took a turn at impersonating Marilyn Monroe in *The Mystery of Natalie Wood*. Still, just as there'll only ever *really* be one Marilyn, Sophie's a one-of-a-kind *very good time!* This former member of Oz pop group Bardot does *much* for *velvy members* as sex-personified Cynthia Rose in sex-packed *Sex!*

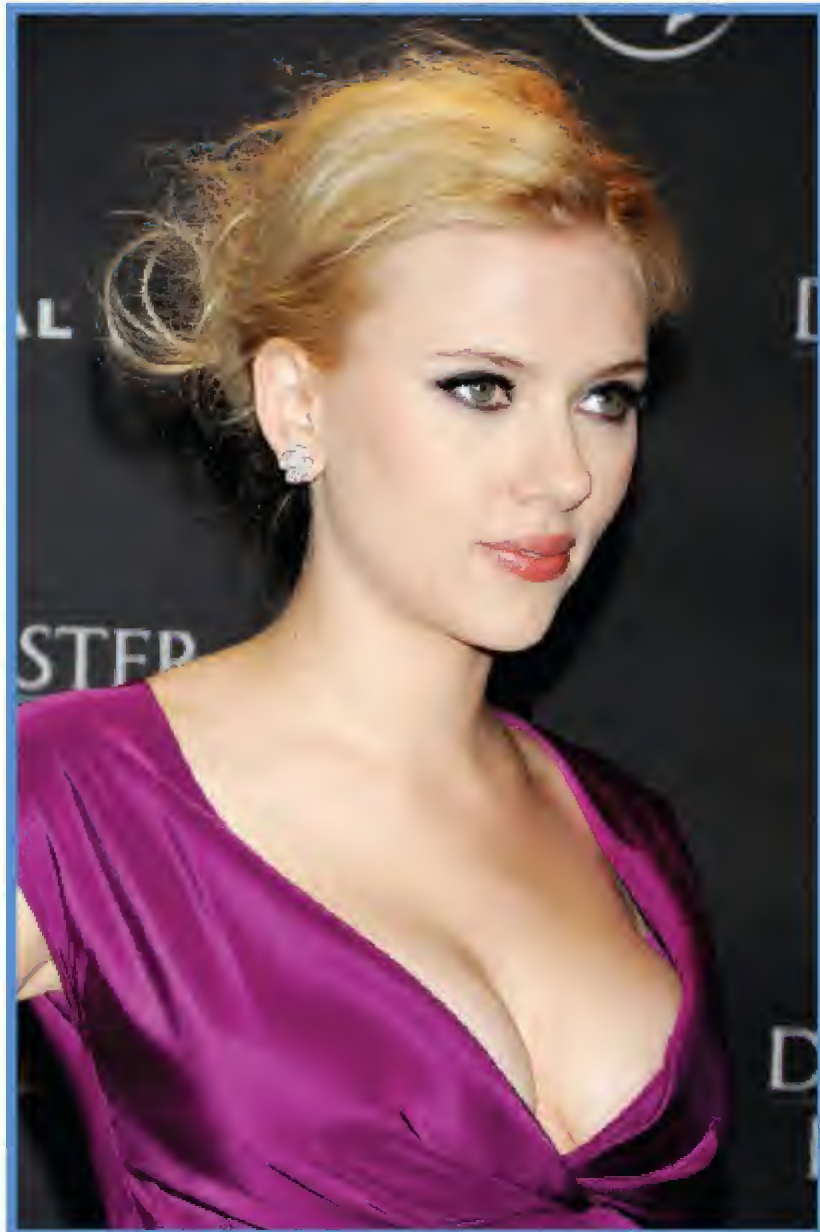

**MONK'LL GIVE YA LOADS O' SPUNK!:** Her Aussie *airbags* and *nearly full-frontal exposure* (Damn that strategically placed pink towel!) in *Sex* will make ya wanna visit Monk's "*glands down under*"...where she'll glow while you *puss-plunder*!

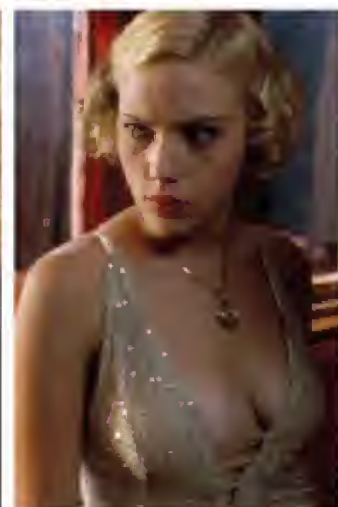

## SCARLETT JOHANSSON

**FROM HER PUFFY POUTER:** "One of the best things for a woman to hear is that she is sexy."

**JUGGSHANSSON!:** Strawberry-blonde Scarlett first captured the *pubic* imagination when she co-starred with similarly *stacked* Thora Birch in the arthouse hit *Ghost World*. Since, ScarJo's surpassed ThoBi—not only in terms of stardom, but in abundant *apple-dumplings!* After her breakthrough opposite Bill Murray in *Lost in Translation*, she became Woody Allen's muse in *Scoop* (2006, opposite page, right) & the upcoming *Vicky Cristina Barcelona*, wherein she *lesbo-llplocks* with Penélope Cruz. Wood, man!

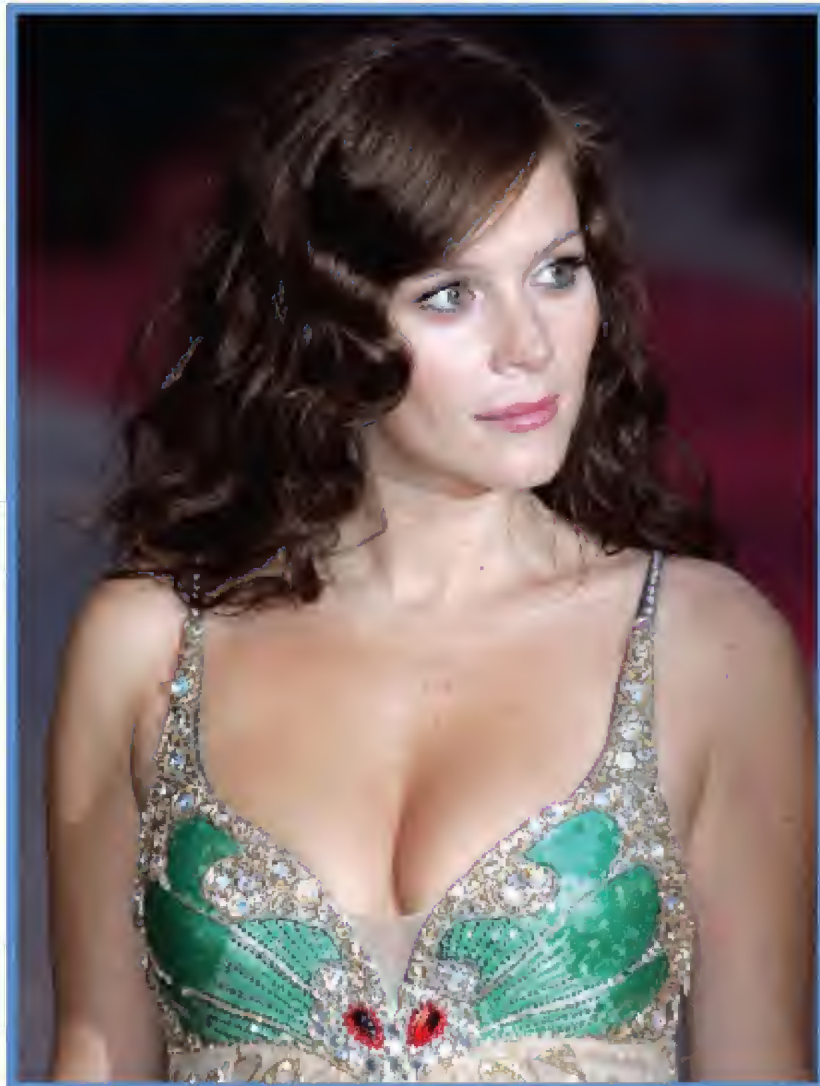

**NEW BOOBAGE!:** She left us *long in the shorts* with a side-glimpse of her *gargantuan goona* in *A Love Song for Bobby Long* (2004, above). *Eager-eye A Good Woman* (2004, above & opposite, right); at the one-hour, 4-minute mark, she slips nippl

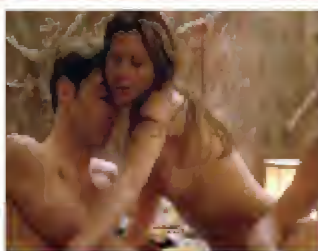

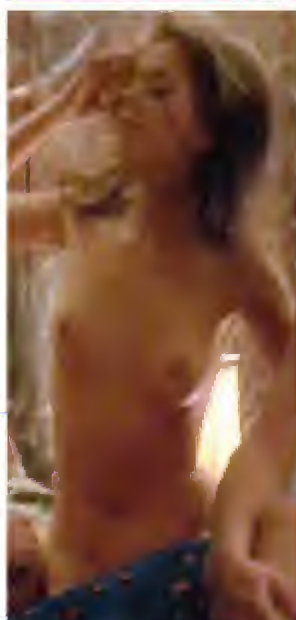

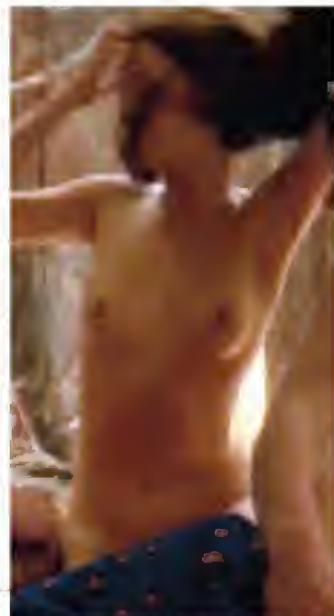

# FRESH FLESH

## ANNA FRIEL

**FROM HER LANCASHIRE LIPS:** "For me, personally, everything is on a kiss."

**MORE THAN A FRIEL-LING!:** In 2007, English enchantress Anna broke through to American admirers as Charlotte "Chuck" Charles on the ABC cult series *Pushing Daisies*. This still-blossoming beauty, however, has been a silver-screen sex-siren in Europe for years, from her nude debut in *The Tribe* (1998, spread), where she bares every inch of her flawless 5'2" form, to her most recent T&A offerings in *Niagara Motel* (2005). She even shares a topless bath and a ciggie with Michelle Williams in *Me Without You* (2001).

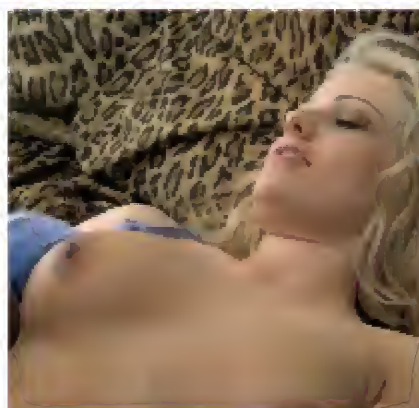

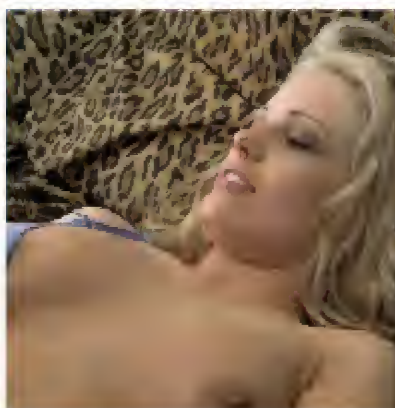

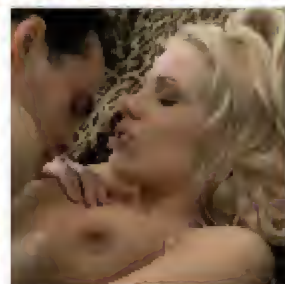

**FRIEL FOR ALL!:** Freewheeling, fairylike Friel caused a *mayjah brouhaha* via her Sapphic *tongue-suckle* with Nicola Stephenson on the set of *Brookside*, a popular and altogether staid British soap opera, in 1994. Long live/*lick* *Liverpudlian Lesbos*!

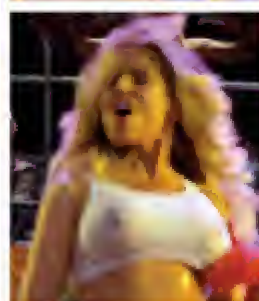

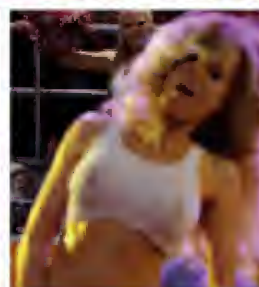

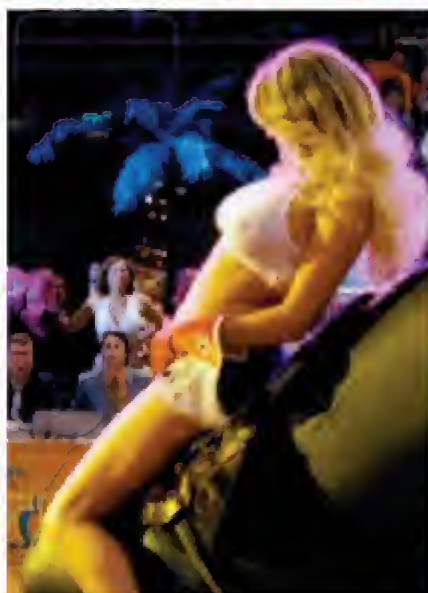

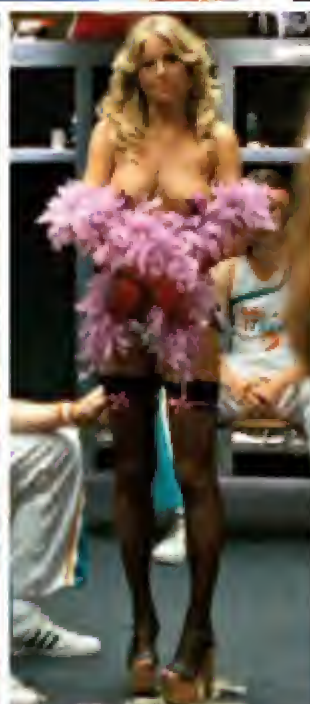

## KATE LUYBEN

**LUBE YER LENGTH FOR LUYBEN!:** Lusciously curvy Kate mam-orably got funnyman Will Ferrell's balls *dribblin'* in the uproarious hoops-goofer *Semi-Pro* (2008, opposite page, all)—a fitting *spunk slam dunk* to Kate's bustier-clad, cleavage-heavy turn in the National Lampoon farce *Going the Distance*, as well as her 2006 cameo on the sitcom *Arrested Development* where, in a *stroke-it* of casting genius, she plays "Woman in Negligee." To see Kate's *massive, all-natural knockers nakedly free* of fancy undergarments, seek out the sexy fright flick *Misbegotten* (1998, this page, all). Talk about scoring *two points!* Feel free to make a "personal foul."

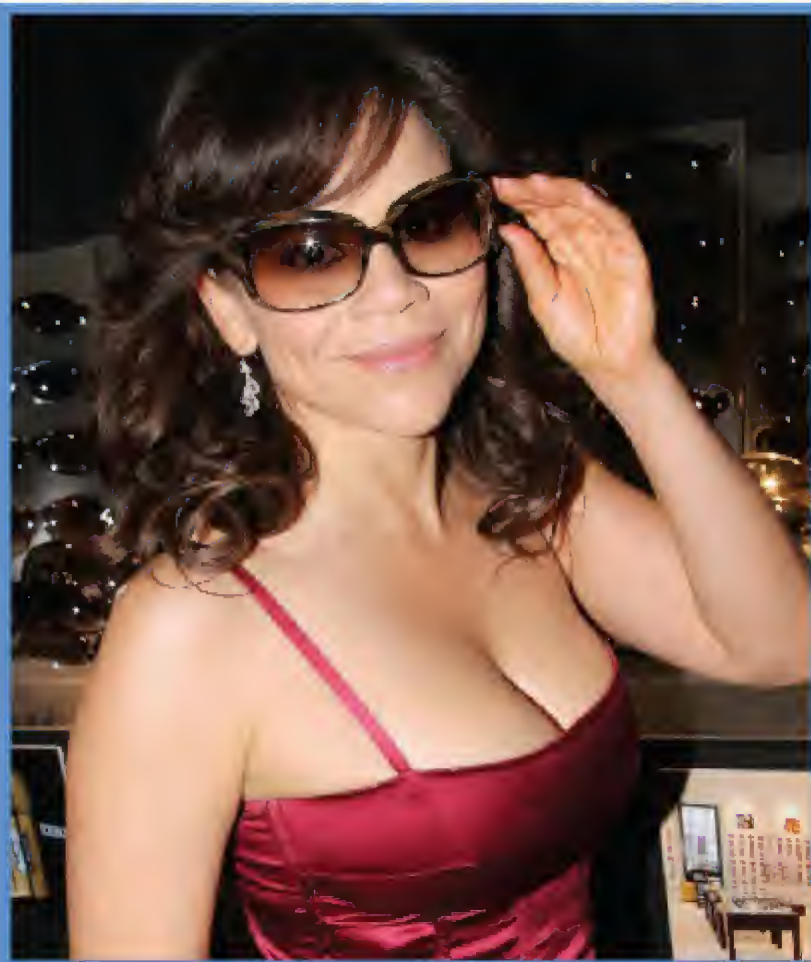

**SEMI...HO?:** In a '98 ep of *The X Files*, Kate played "Nurse Nancy." Pee-Wee Herman fans will recall that he got busted—while *nutting*—watching the porno *Nurse Nancy*. Coincidence? C'mon; we're talking *The X Files*. There are no coincidences!

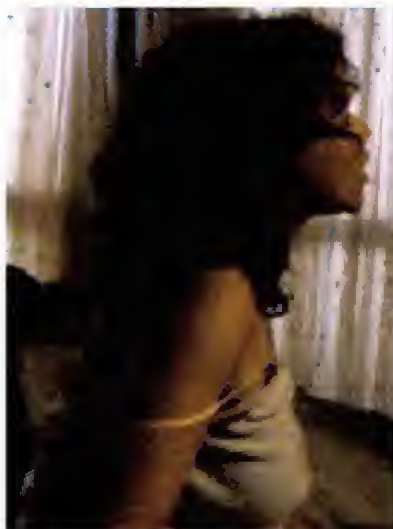

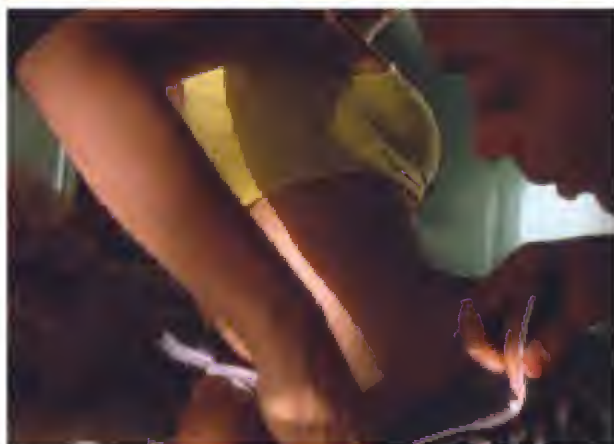

# FRESH FLESH

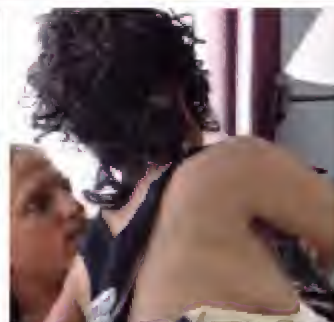

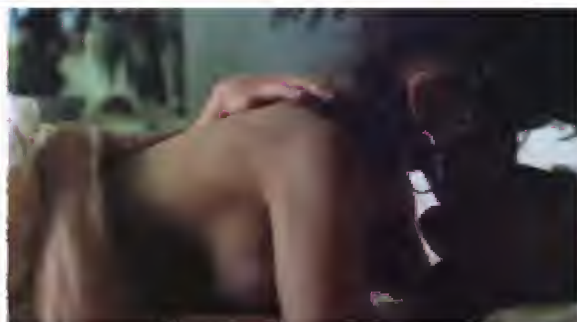

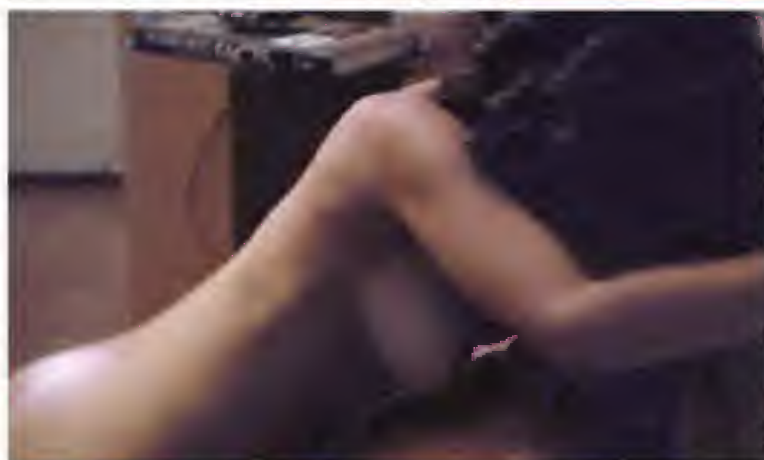

## ROSIE PEREZ

**VIEQUES VIXEN!:** Rosie came up—as her tits grew out!—dancing in the '80s on *Soul Train*, which led to her choreographing for Bobby Brown, Diana Ross, LL Cool J and The Boys, as well as for the Fly Girls featured on *In Living Color*. Discovered by director Spike Lee—literally—on a dance floor, he cast her in his *Do the Right Thing* (1989, right & bottom & opposite, top). Her nasally Brooklyn-Boricua voice & *big, real tittles* topped by arguably *the most unforgettable areolas ever filmed*, somehow came together to make many fans of her *keepin'-it-real* feel. *White Men Can't Jump* (1992, opposite) bumped her *bouncy booty* up to leading Latina.

**ROSIE'S ROSY AREOLAS ARE OUTTA SIGHT!:** In *The Take* (2007, opposite, top right & bottom left), Rosie's Marina De La Peña, wife to John Leguizamo's Felix. Felix gets shot in the head, but—at least he's got Rosie's Marina in his bed!

# FRESH FLESH

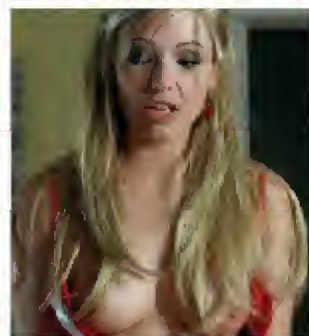

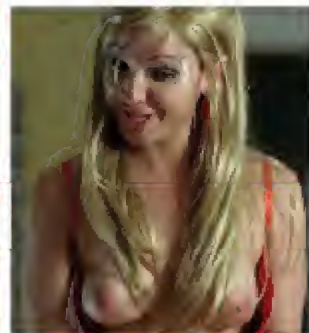

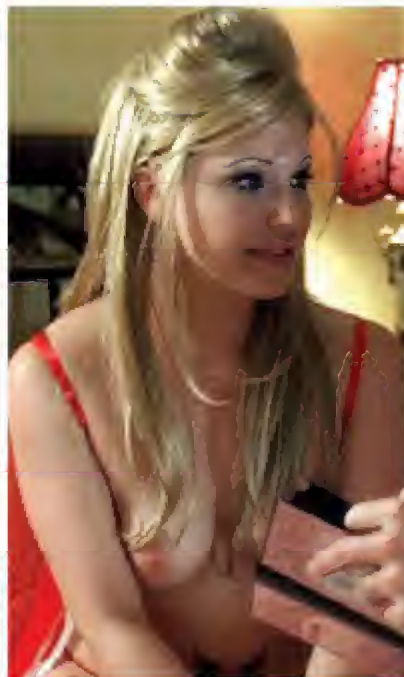

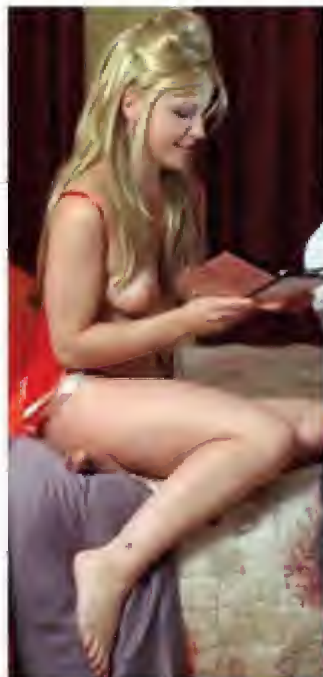

## JESSICA KIPER

**BEFRIEND HER:** Find her online at [myspace.com/kiper](http://myspace.com/kiper), where she lists her "orgasmic orientation" as BISEXUAL!

**KEWPIE DOLL KIPER:** Natural-boobed blondie Jessica Kiper has long combined Kewpie-doll cuteness with all-grown-up *heat* in TV shows such as *Undressed*, where she played Zia, and *Gilmore Girls*, where she portrayed Shane. Jessica also put in a memorable appearance as "Tri Pi" in the raunchy campus comedy *Sorority Boys*. This hazel-eyed angel scales devilishly arousing new—and *nude!*—heights in *Sex and Death 101* (2007), performing a lap dance that showcases her *ultra-bitable*, thong-clad buttcheeks.

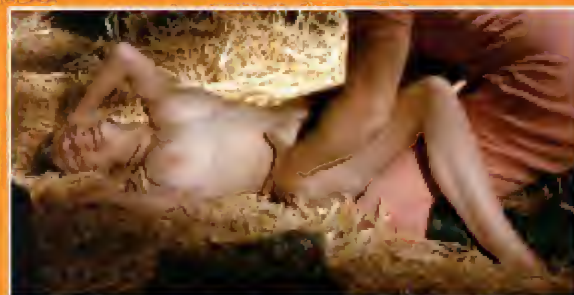

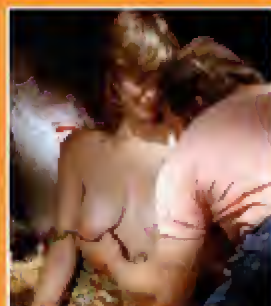

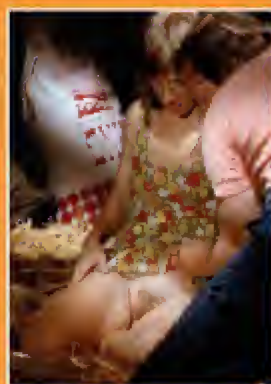

**THE TALENTED MISS NIPPLE-Y:** Jess, whose *lick*-name is "Sugar," worked as a Marilyn Monroe impersonator! Other skills? "Comedian, impressionist, masseuse, sign language, singer, stripper and whistler." We wonder if she's a *hummer*, too....

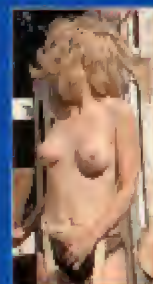

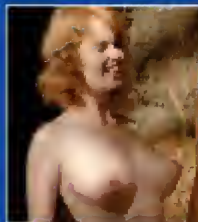

**Y**ou'll note a prize plot point in the wildly *raunchy* & *constantly* in poor taste country-cornpone-*coozes*ploitation flicks of the '70s: If yer name's Junior—you sure is in fer some learnin' & such 'bout them birds 'n' bees! In *Sassy Sue* (1973), Dolly Lee (Colleen Brennan) & Dottie Lou (Tallie Cochrane) teach Junior 'bout the "junior" in his overalls!

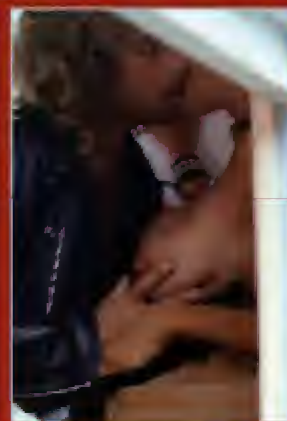

"Junior Comes of Age—& Sassy Sue Makes Him Love It!"  
teases the tagline! He rolls in the hay with Honey Chile, too!

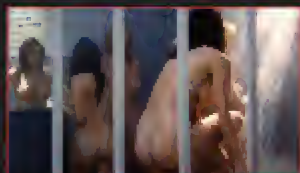

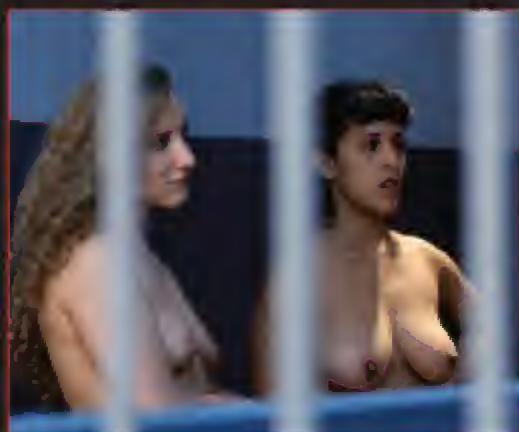

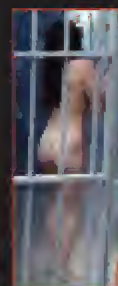

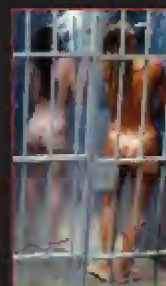

# BANISHED BEHIND BARS

**J**ust when you thought you had enough of the “boobs-behind-bars” genre, Annie Wood comes along in *Cellblock Sisters*, a.k.a. *Banished Behind Bars* (1995), and you find yourself wishing you could serve a stint (in drag!) with Annie as your “celly jelly!” *Banished* features a “good” sister and a “bad” sister—and both get *penal* punishment!

Crime doesn't pay for the *Banished* babes but, with nothing to do in "lockdown," they shower—a lot—which'll do anything *but* keep your c\*\*k down!

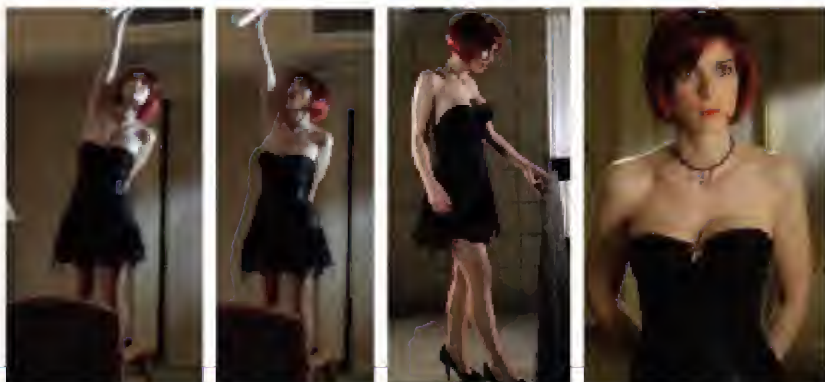

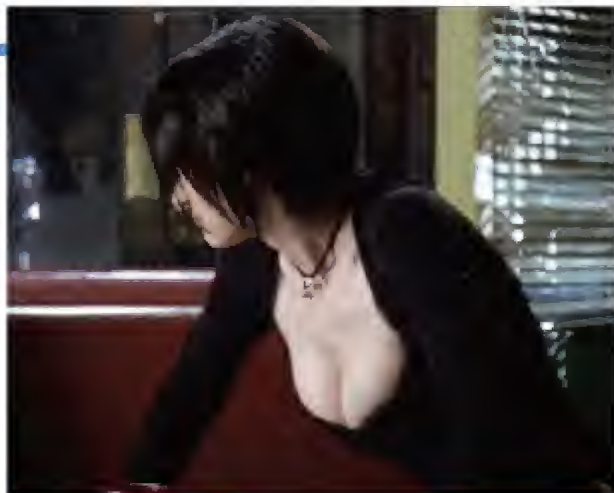

## WINONA RYDER

**"HONEY" RYDER, ANYONE?:** "I dressed up as every James Bond Girl. I was a teenage Pussy Galore!"

**D-CUPPER!:** Noni's captivated fist-happy fans of quirky, *whopper-chested* hotties from her goth-girl breakthroughs in *Beetlejuice* & *Heathers* to her grunge-era run as arm candy to a series of rockers, to her sticky-fingered Beverly Hills spree in '01 that led to shoplifting charges. She never got naked, but *finally*, Ryder *ream-dreamers* can die *hard* (and happy) as her previous prudeness succumbs for *suckbag side-views* in *Sex and Death 101* (2007), with Noni showin' off her pink-tipped "Petalumas!" Get 5 fingers ready, dicks out!

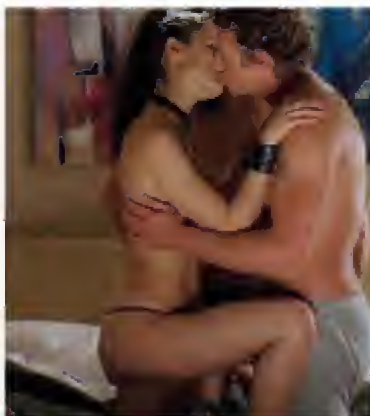

## NATASSIA MALTHE

**NUDIE NEWBIE:** "I was unaccustomed to the games people play. I didn't even know what the word 'player' meant!"

**MALTHE-ED MILKBAGS!:** Half-Malaysian, half-Norwegian & 100% knockout, Nastassia kicked off her career—literally—as a ballerina with Norway's state opera house. Clearly *not* cast as the fat lady who sings, she went on to model and act after relocating to Canada. Hollywood soon summoned, and Nastassia's since *fleshed out* flicks like *40 Days and 40 Nights* & *Chaos*. Her thong-clad, face-sucking threeway opposite topless Pollyanna McIntosh in the dark farce *Sex and Death 101* (2007) is truly *Malthe-watering*.

## FRESH FLESH

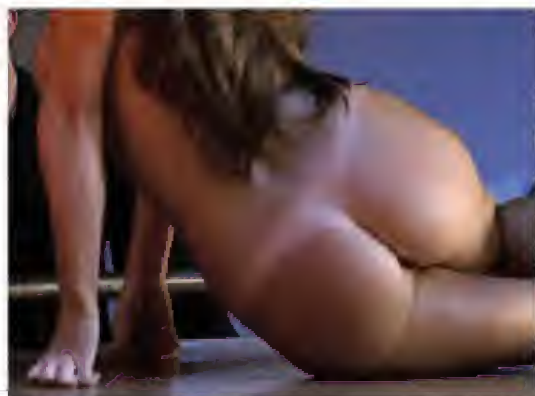

### HOLLY EGLINGTON

**CLASSIC HOLLY:** "No, honey—tuck it in!" (Holly, in *The Long Weekend*, instructing a customer on how to properly tip a dollar to a pole dancer)

**GOLLY!:** Hefty-hootered Holly leaves you anything but numb where it counts in the Matthew Perry comedy *Numb* (2007, spread), dazzlingly delivering on the promise of her character's name—"Stripper"—by peeling to reveal her mighty *mammaries* and thong-clad *seat-meat* on stage at a nude club. It's a role that ought to feel familiar by now, as she also plays "Stripper" in *The Long Weekend* (2005), patriotically "freeing herself" from an Uncle Sam get-up.

**HOLLY "HAM HOCKS":** Holly acted opposite Christine Caux in the ski flick *Out Cold*, and both beauties kept covered. To atone for such modesty, the *dairy-licious* duo returned in *Slap Shot 2*, flashin' *funbags* rinkside. Those girls are *pucking* hot!

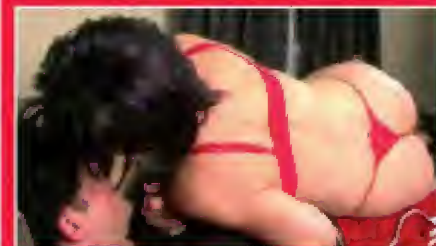

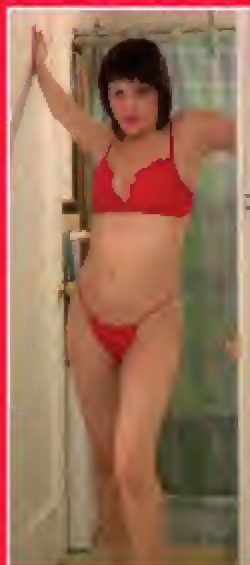

SKINSIDE

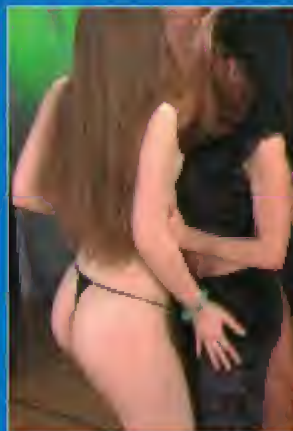

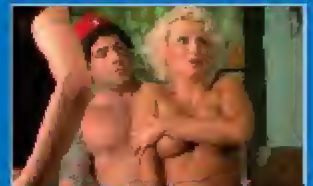

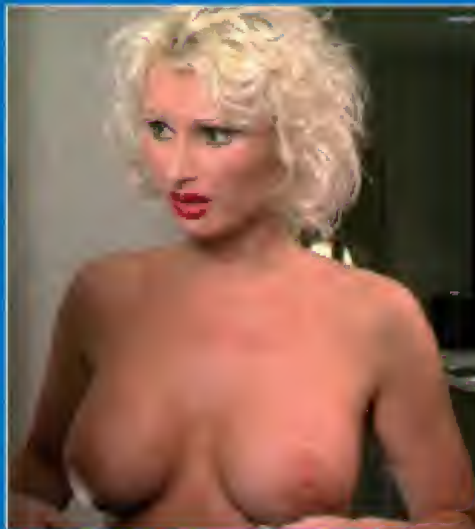

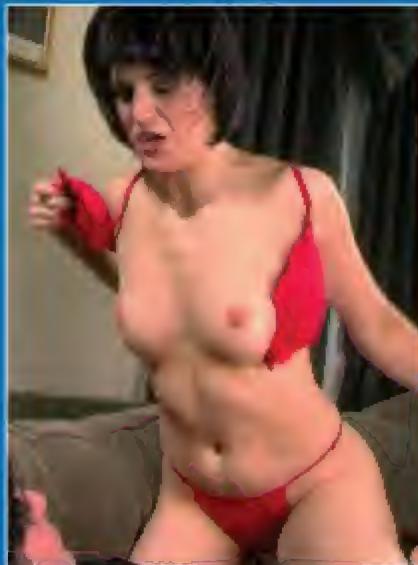

# SEXY AMERICAN IDLE

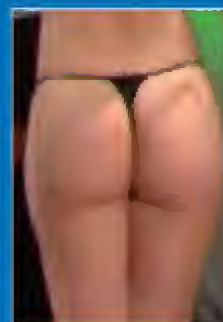

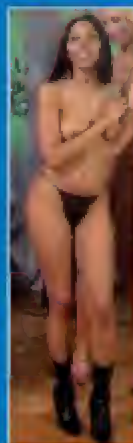

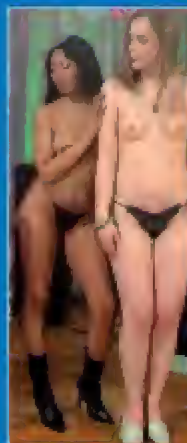

**D**avid Archuleta, who? Fantasia Barrino, what? Who needs primetime pablum—much less the sight of Ryan Seacrest's perma-thrilled face—when *Sexy American Idol* (2003) awaits to fill your nights (so you can "fill" yer boxers!) with sooo much better than desperate wannabes wailing off key to Céline Dion: *durty girls diddling each other!* Screw the singing—get to *licking & fingering!*

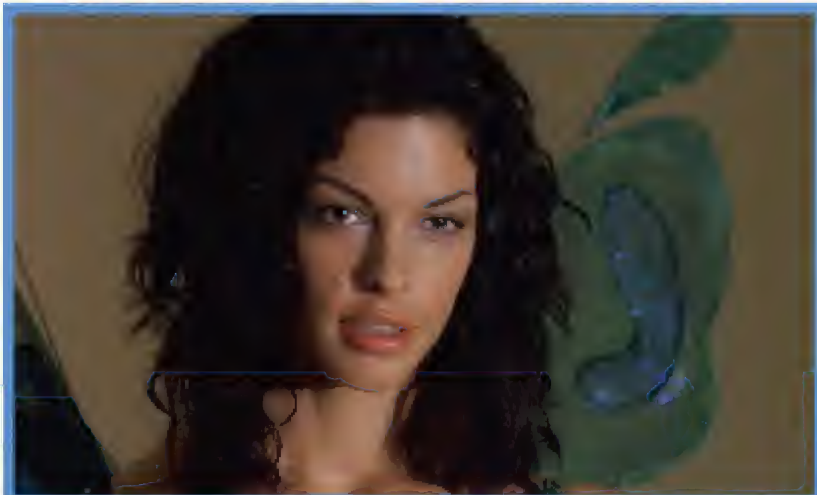

In *Idle*, it ain't over till Misty Mundae sings—or at least moans with ecstasy while AJ Khan gives her some *not-much-needed cooze-coaxing*.

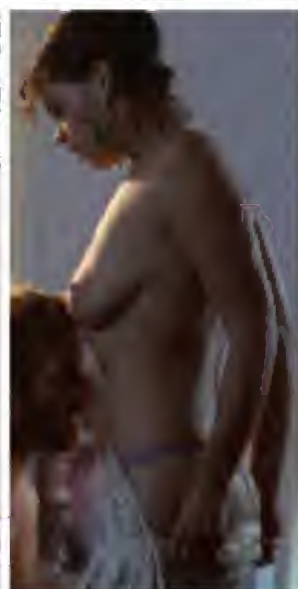

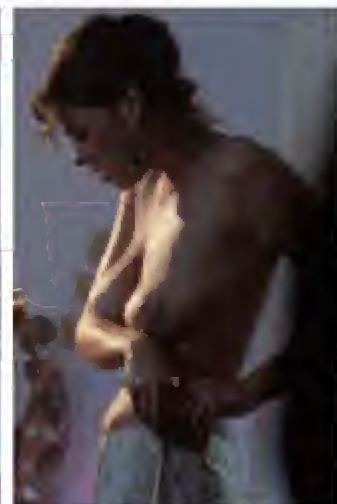

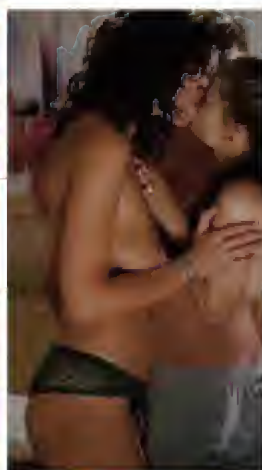

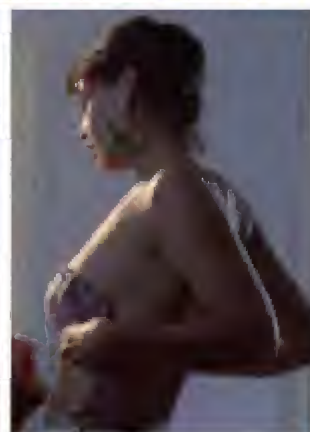

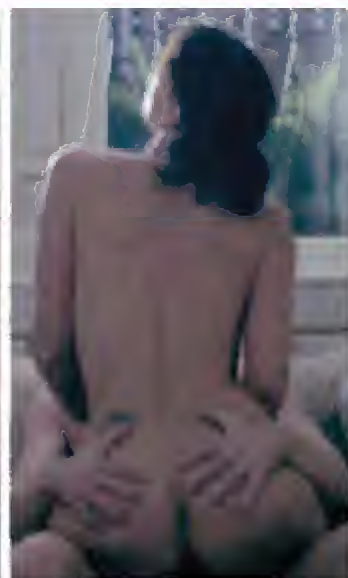

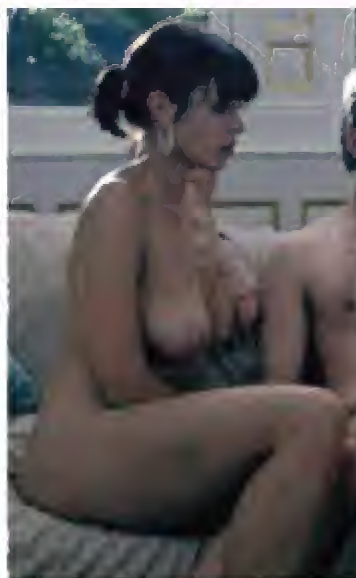

## POLLYANNA McINTOSH

**SEX-SWING SCHWINGER!:** It may surprise you (it surprised us) to learn that pretty, petal-lipped Pollyanna got her start as a model (that bit comes as no surprise at all) but—more interesting—as a *plus-size* model, appearing most notably in the ultra-coveted-and-exclusive, ultimate-pinups Pirelli calendar for December 2004. In *Sex and Death 101* (2007, below & top right), as Thumper/#64 (the digits indicate her place on a list the hero receives that numbers his lifetime's worth of lays!), she offers *plenty* of “headspace” as a kinky humper & *writhe-rides* a sex swing! Catch her next in the *Land of the Lost* remake as Will Ferrell’s “Pakuni Woman” *punan!*

**McINSPLOSH!:** In the brain-screw/horror flick *Headspace* (2005, this page, all, & opposite, right), plump-rumped Polly climbs asstride for a passionate *peen-ride* with unbridled gusto. As conniving girlfriend Stacy, she's sexy or deadly...or *both*?

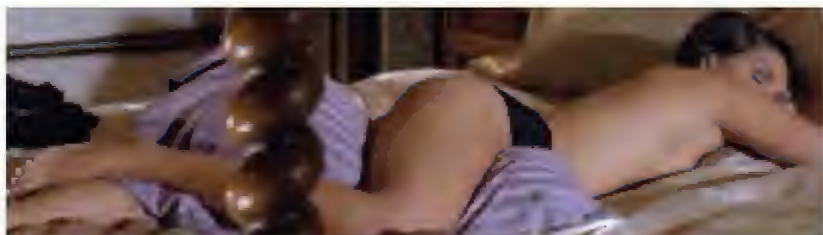

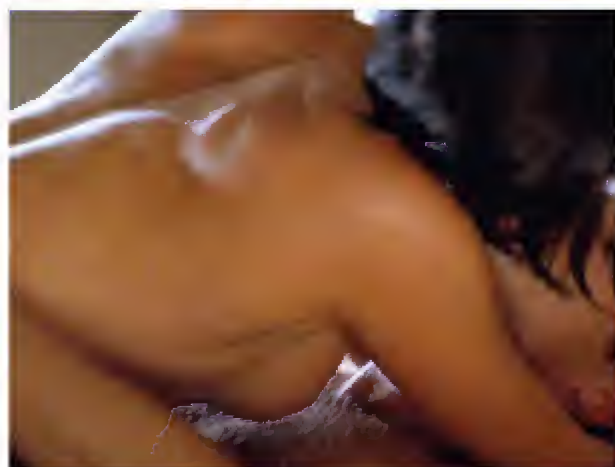

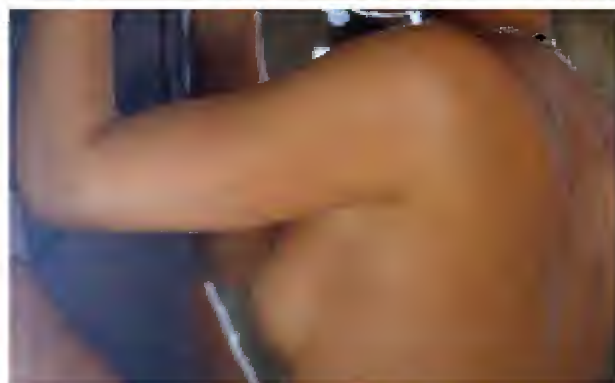

# FRESH FLESH

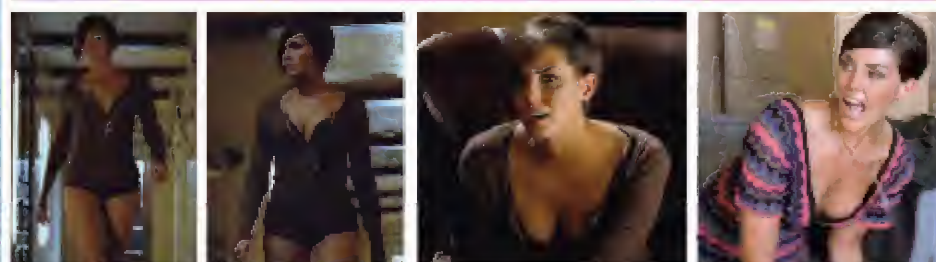

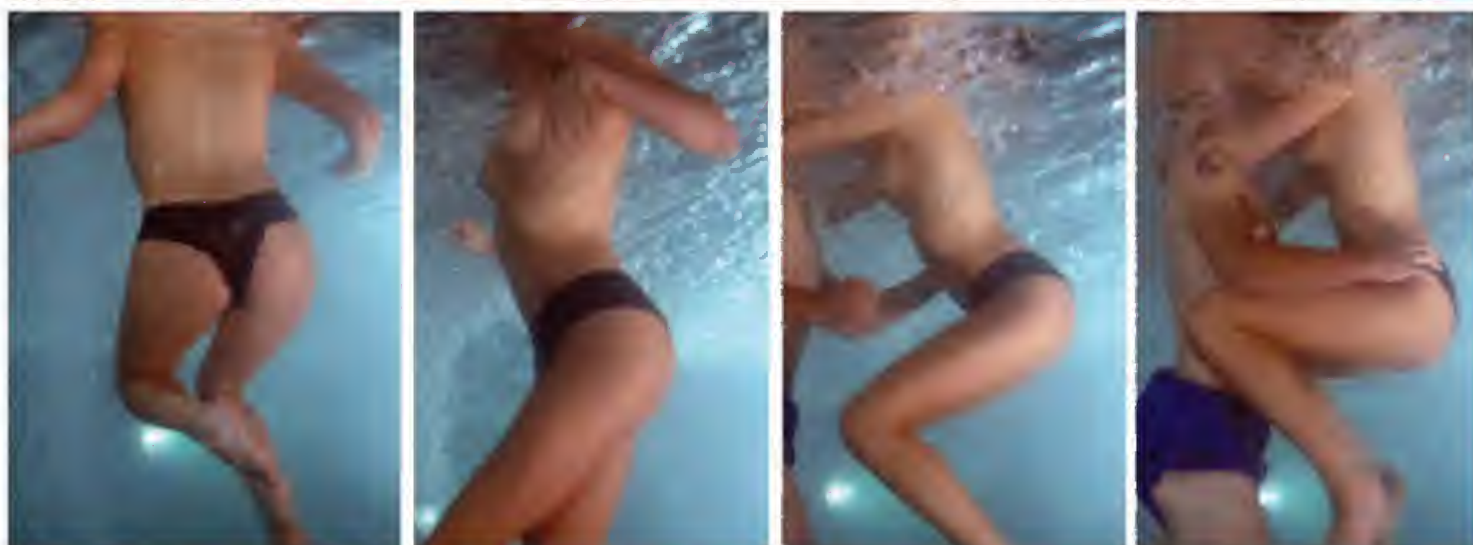

## TAYLOR COLE

**FROM HER LONE STAR LIPS:** "I can't stop flirting with everyone on the set!" (On her habits while filming)

**TEXAS TEASE!** In the horror remake *April Fool's Day* (2008), Lone Star State native Taylor delivers Texas-sized titties *and* thrills, appearing in both a nip-clinging nightie and tantalizing, orange bikini. Prior to her *April Fool's* fashion frolic, the 5'8" model-turned-actress proved she's no joke when it comes to sizzlin' in a swimsuit by barely keeping her top covered in a fluorescent-hued seaside ensemble on the TV drama *Summerland*. Curvy Cole is a smoldering *Skin*-sation who'll make more than just your temperature rise.

**"FINISH OFF" WITH TAYLOR!:** Filmed in the famously *flesh-friendly* Cali locales of Malibu & Van Nuys, unrated *Finish Line* (2008, spread) has Taylor in a short 'do that frames her foxiness, tan *tushie* & all. Famed "playa" Scott Baio plays her *dad*!

# PAPARAZZI PIXIES

Morrissey sings, "Some girls are bigger than others"—some girls are *especially* bigger in all the right places! Hence, cameras click their every move! **Skin** brings you the *newest* pix of the hottest sexsations!

## KIM KARDASHIAN

**ARMENIAN OR ASSMENIAN?:** Apparel retailer. Reality TV star. Paparazzi prize & alleged profiteer of a reported \$5 million via the infamous sex tape she purportedly made with her ex, R&B ladies' man Ray J—Kim hit the ground running as the *only* friend of Paris Hilton who's seemingly capable of stealing the spotlight straight away from her. Her E! series, *Keeping Up with the Kardashians* (above right), chronicles her day-to-day antics (often ass-related), and has made Kim a *boner* fide star in her own right. This "Curvy" made "shake that ass/show me what you workin' with" into not only a career, but an erotic artform! JLo's got serious *rump-etition*!

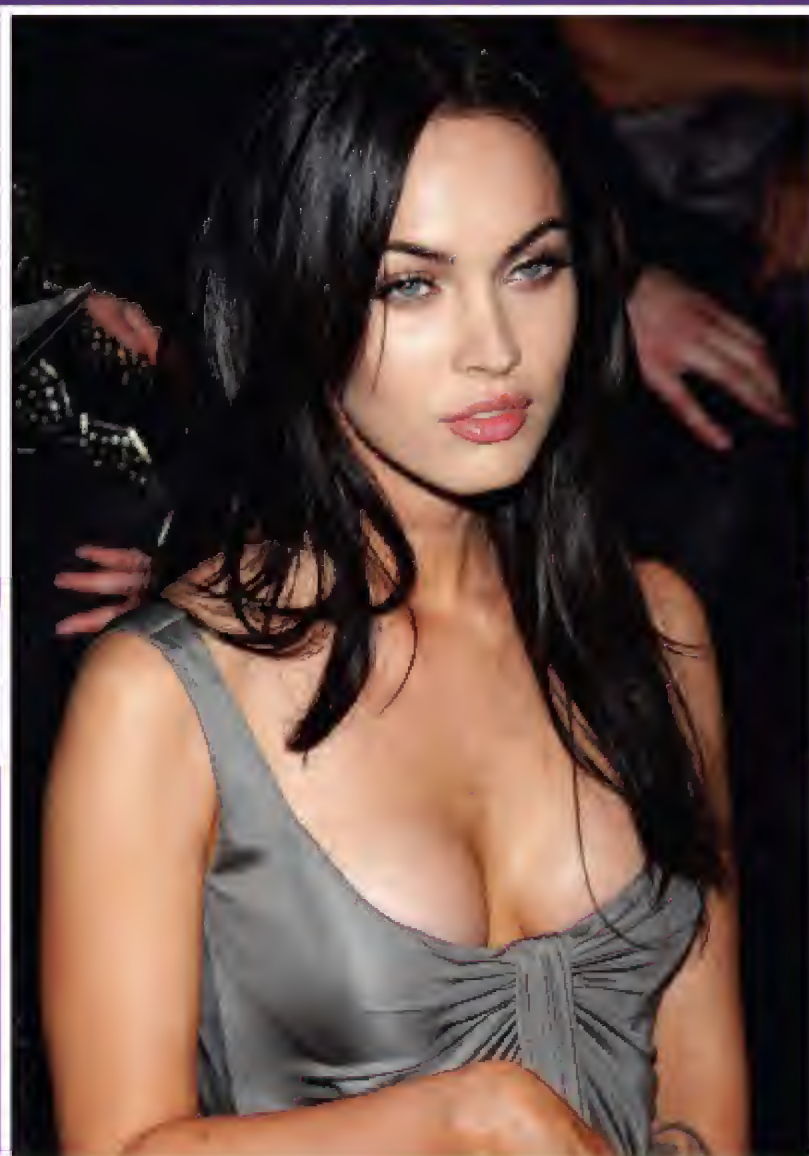

**STRIPED SUCCULENCE:** *Big-butt bunner* Kim's rarely seen without a strategic sarong covering her mammoth mudflaps, so we rejoice in these poolside pix! Catch her *deep in the valley* in 2008's *Deep In the Valley* as "dewshy" Summa Eve!

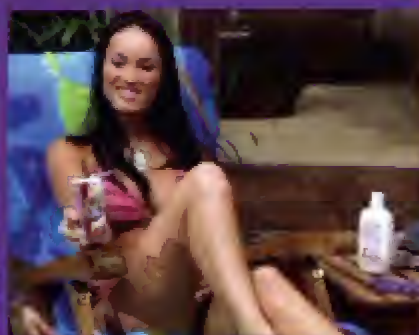

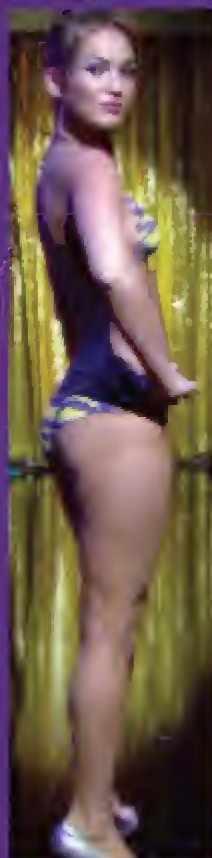

## MEGAN FOX

**FOX FACT:** Megan has 9 tattoos, on her ribcage, neck.... Her fiancé Brian's name is inked right next to her *pink inkwell!*

**BEGGIN' 4 MEGAN:** Frisky Fox is perfectly poised for a T&A-list spot and, if her flaunting for the flashbulbs is any indication, movie premieres will never be the same when this tattooed Tennessee *tall* breaks out for a top-shelf, and *top-heavy*, career. Currently, she's the "It" and "Tit" girl the paparazzi pop for, having worked her way up from teen dream to fully *fleshed* fireFOX meltin' the macho in men's mags. *Transformers* proved she's "more meat for yer guy," morphing *lowriders* into *throbbing hot rods!*

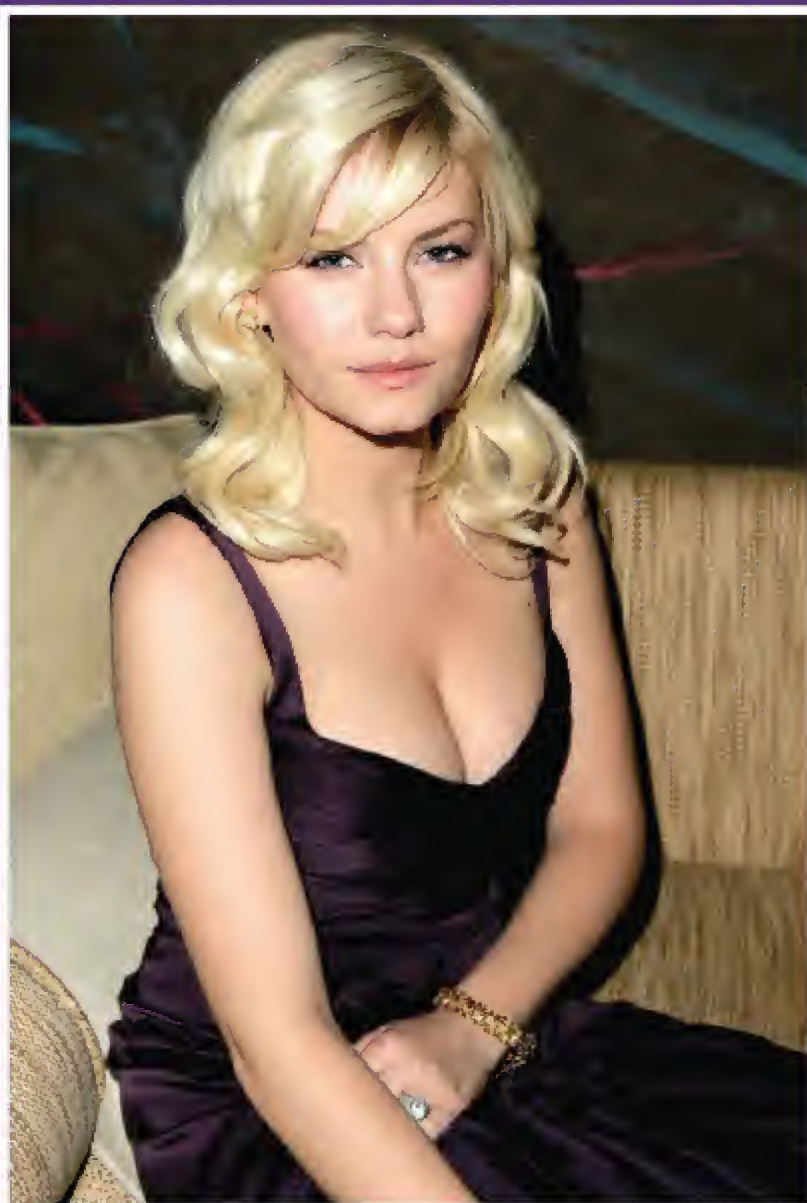

**FOX WORKS IT FIERCE:** Megan busted out with small roles in sitcoms *Two and a Half Men* (opposite, bottom left & top right) and *Hope & Faith* (opposite, bottom right). *How to Lose Friends & Alienate People* (2008) is her starmaker role as...a starlet!

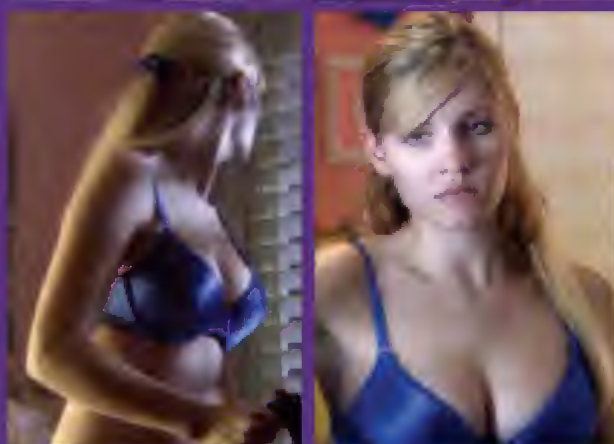

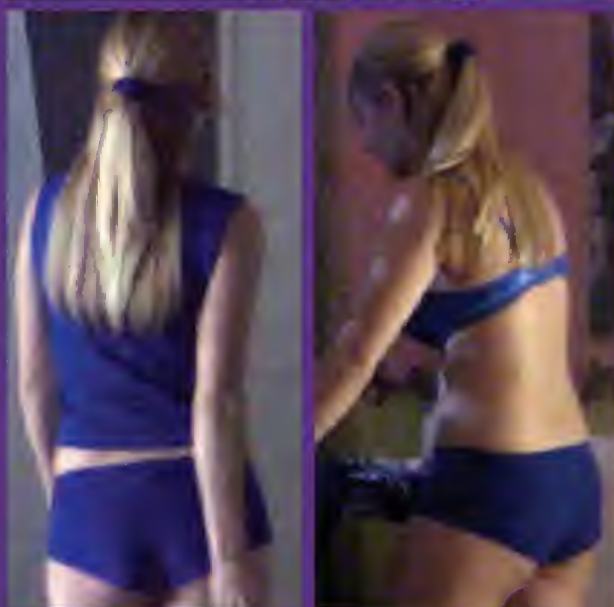

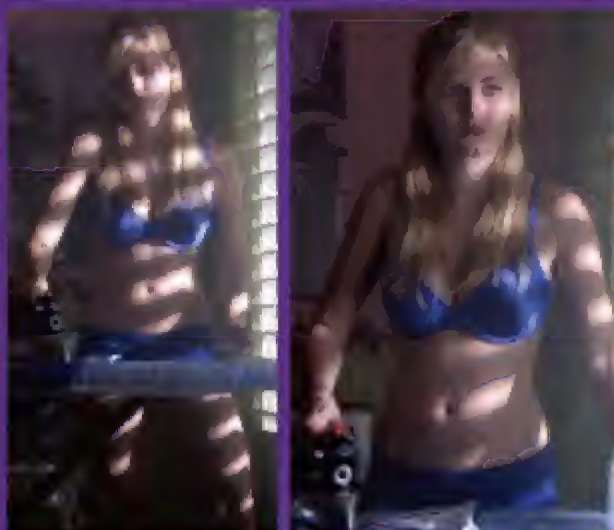

## ELISHA CUTHBERT

**ALT-LIFE:** "I'm very mellow. I think if I hadn't become an actress, I would've lived the simple life. You know—get married and sit on my porch."

**CAPTIVATING!:** Last seen in gore-fest *Captivity*, Elisha captivated *crotch-cobras* with her 5-year stint on 24 as Kim Bauer, daughter to Kiefer's Jack, *giving rise* to more "Daddy's Little Girl" fantasies than you can shake your schlong at! Come to think of it—Elisha's born obsession material—note her sex symbol-making turn as a porn star who's also a real sweetie, Danielle, in *The Girl Next Door* (2004, below & top right). This hottie's a *hard-on habit to break!*

**'KINI BOTTOMS COVERING ASSCHEEKS? CHECK!:** Elisha gave a nuanced bad-girl performance in the thriller *The Quiet* (2005, opposite, right, middle & bottom). Above, she emerges from the surf as a curvy, striped, *candycane* come-on!

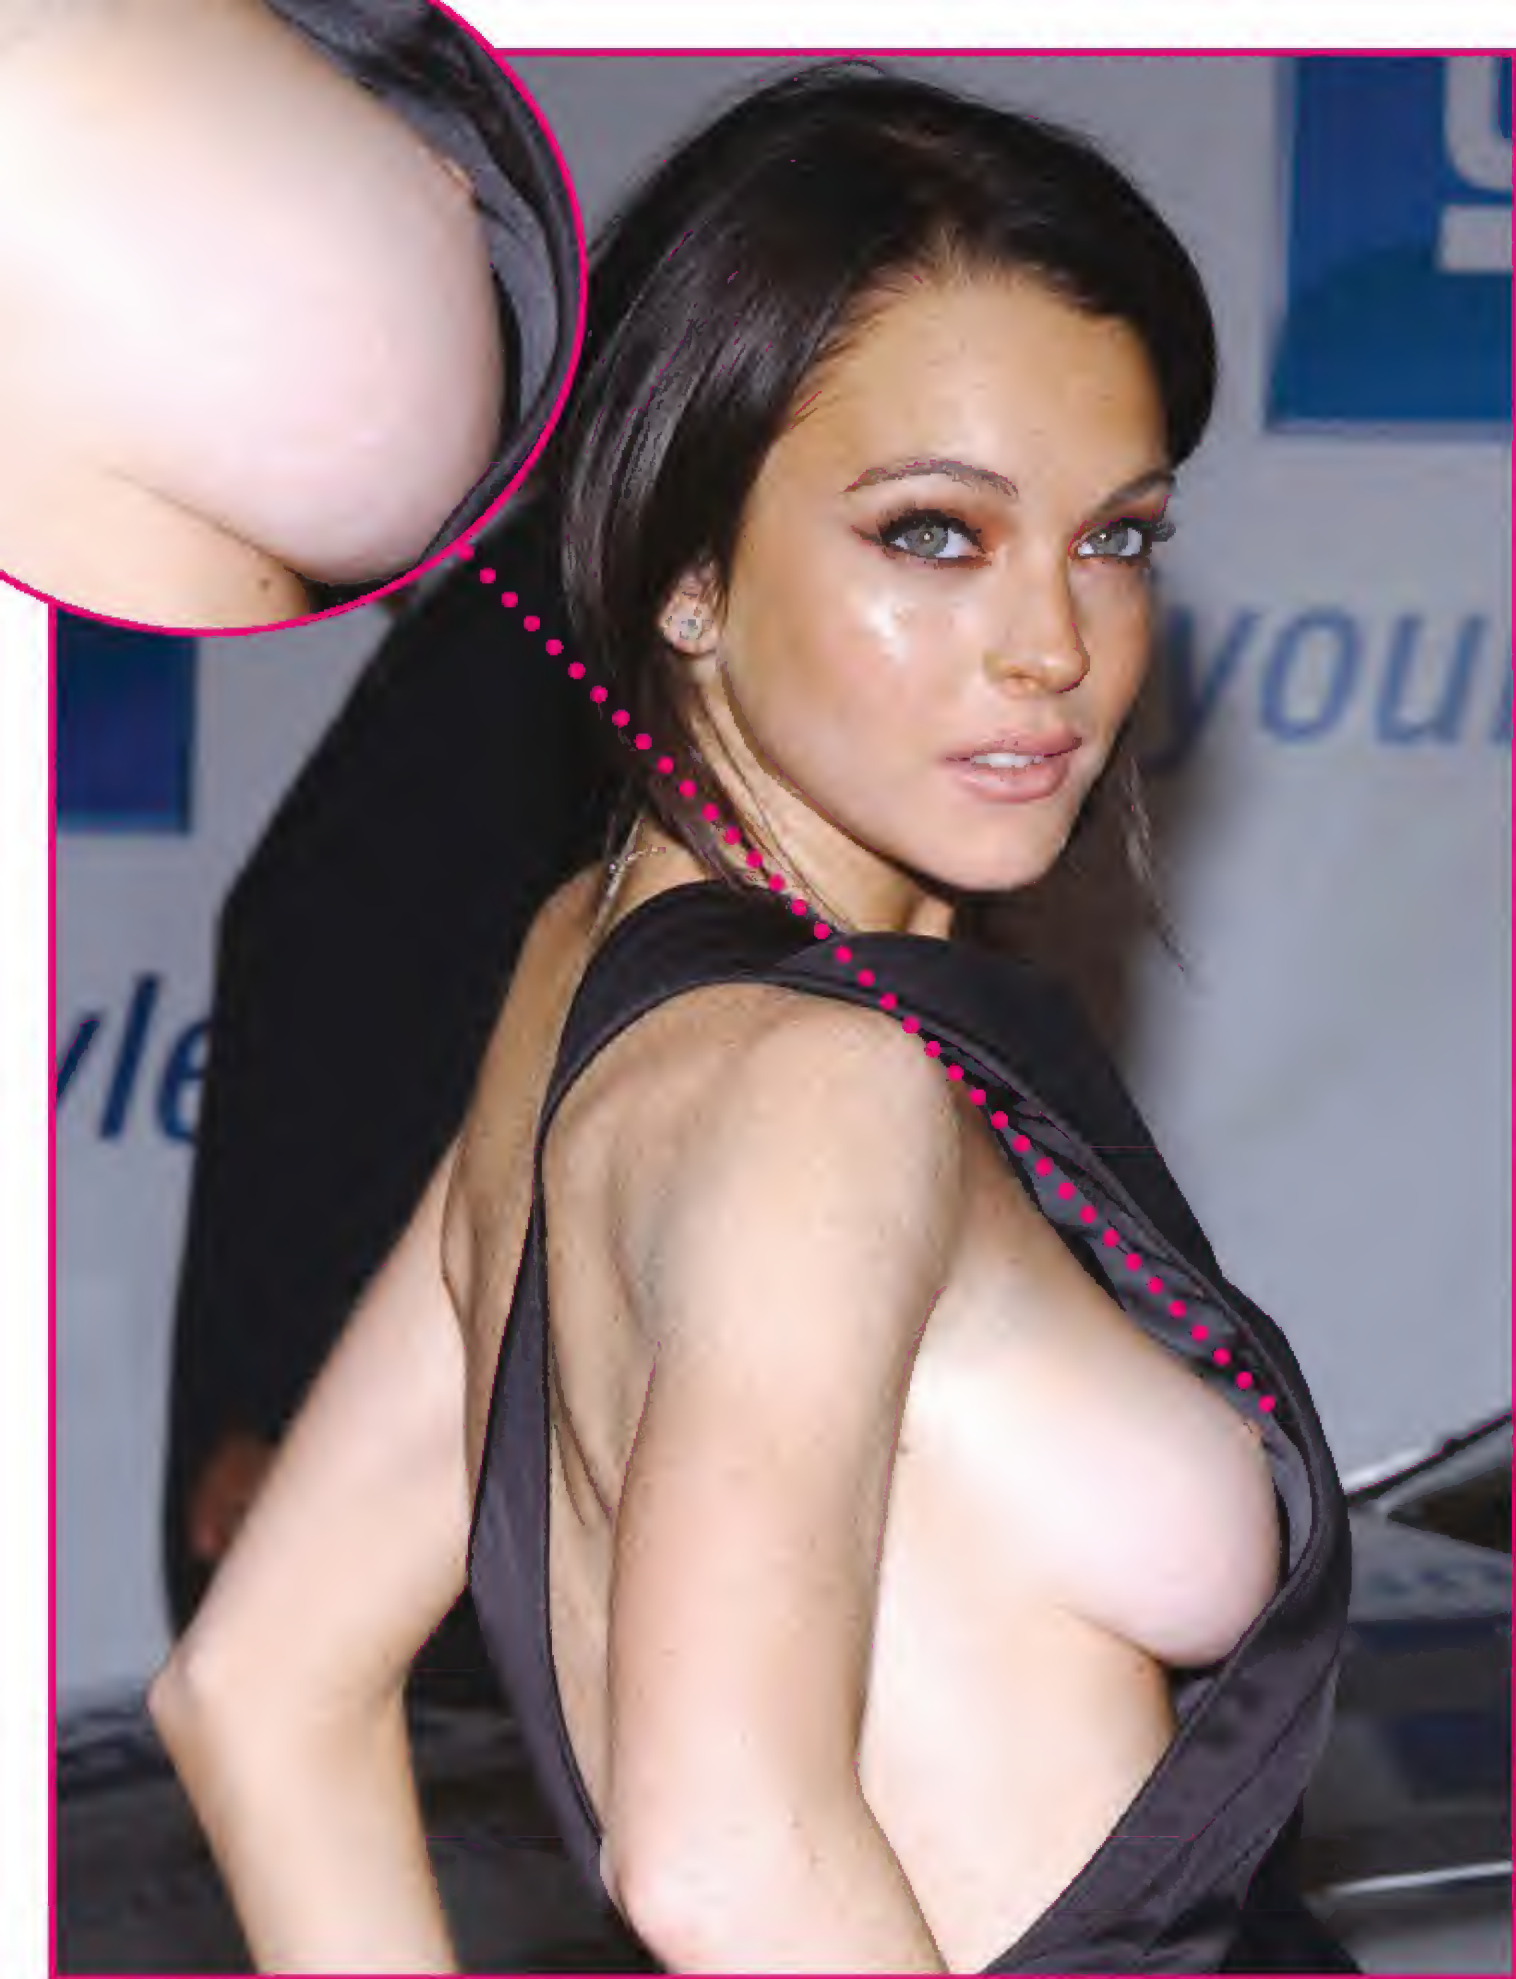

## LINDSAY LOHAN

**FOX FACT:** Rumor has it push-ups are La Lohan's favorite workout move. Our favorite *fantasy* is doing push-ups on top of her!

**"LINDS," SKINNED:** No teen queen-turned-superstar's been livelier for the light of the ever-intrusive cameras than let-it-all-hang-out Lohan! Her run-ins and *rug-flashes* have kept us *abreast* of her chest & *fur-below*—and helped her faltering film career (*I Know Who Killed Me* (2007, this page) died a swift box office death) take a backseat to the bare essentials of her private life...*private parts included!* This Disney doll turned *dirty dabbler* hits da clubz seemingly lookin' for trubs, but we're leavin' a light on for Linds!

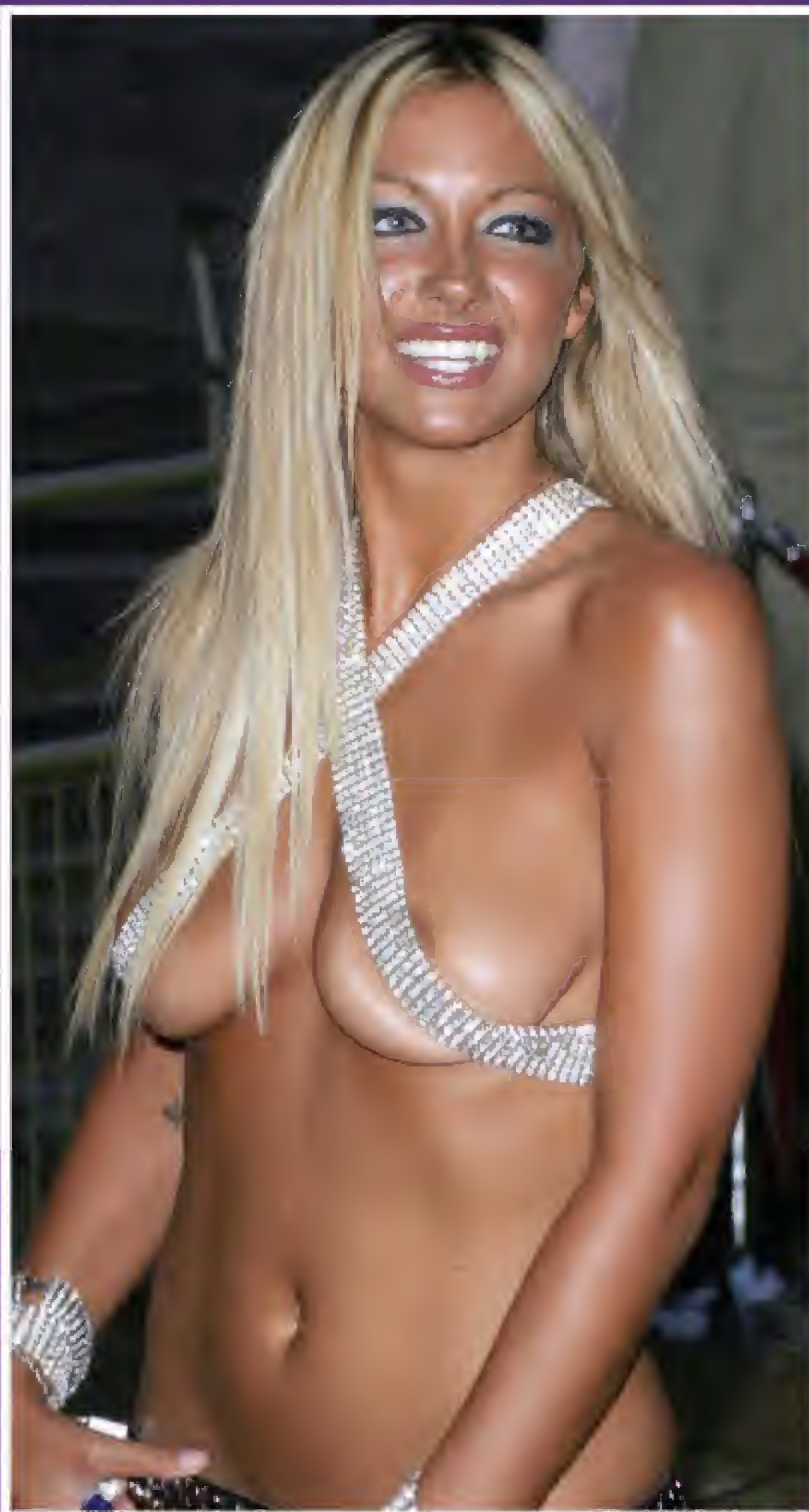

**STROKE "SLOW HAND" FOR LOHAN:** Linds recently did a much-ballyhooed bare butt-'n'-boobs blowout in *New York Magazine*, homage to Marilyn Monroe's iconic, *mouthwatering* mag spread. Above, she shows off her best "dangle angle."

## JODIE MARSH

HER "O-FACE"-INDUCING SITE: [jodlemarsh.tv](http://jodlemarsh.tv)

**JUGGY JODIE!:** In the UK, she's a "glamour model." Stateside, a bawdy, brazen *big-titty beauty* like Jodie—a gossip-fodder girl who wears skimpy get-ups (if anything!) & projects a 24/7 image of being healthily oversexed & *wildly* shameless—is *moaned* over as a *premium, grade-A piece of ass*! Jodie & her *giganto-jubblies* busted out in the *dick-umentary* *Essex Wives*, where *mountable* Marsh sparked a *sex-sation* and soon became Katie Price/Jordan's *rubworthy-rival*. Known for her clothing *con-c\*\*k-tions* & *ballooning boobs*, Jodie's *lust* affair with *flesh* fame has only just begun!

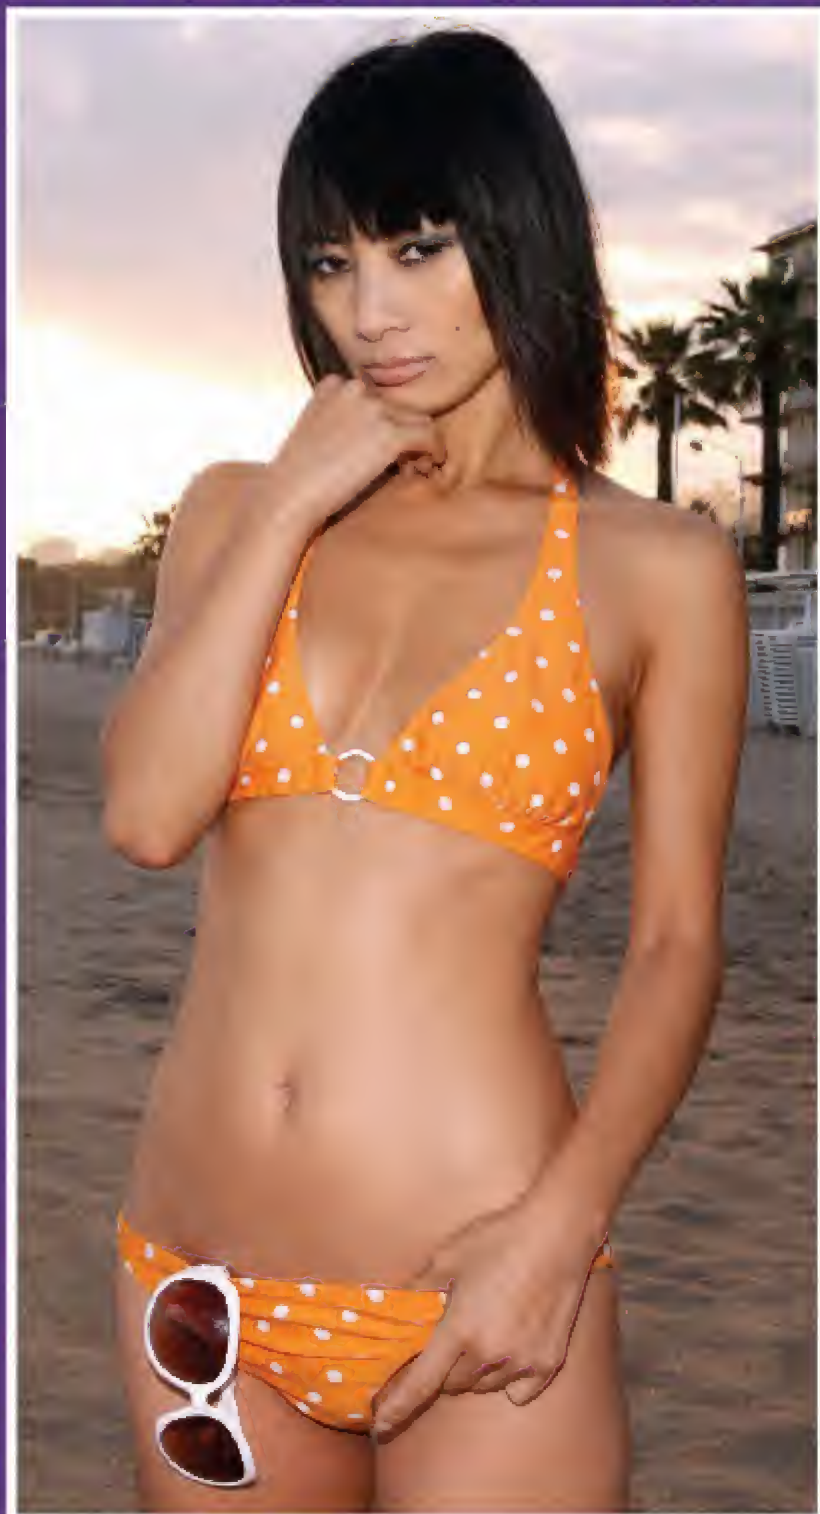

**S'MORES OF MARSH'S MUSHYMALLOWS!:** Jodie was the att-rack-tion of 2007's *Totally Jodie Marsh: Who'll Take Her Up the Aisle?* She sought a hubby (think: Tila Tequila, but hotter and no lezzies) as male viewers pondered taking her up the....

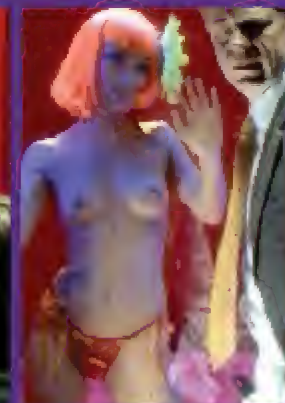

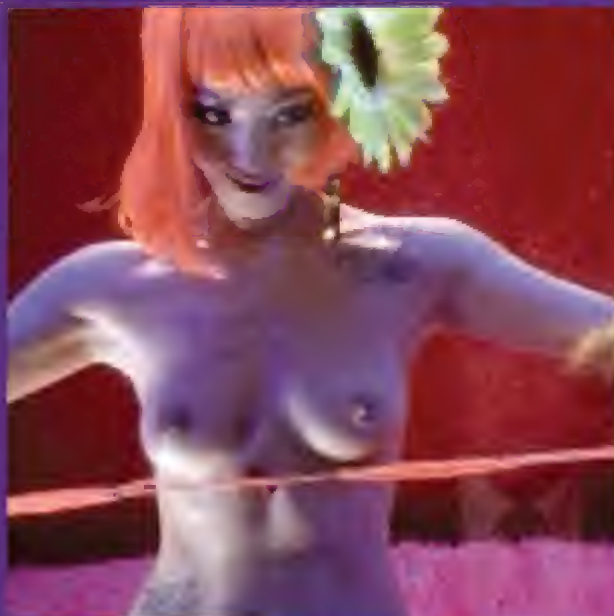

## BAI LING

**HER SZECHWAN SECRET:** No-boundaries Bai served 3 years in the People's Liberation Army in China...entertaining troops!

**BAI-SEXUAL!:** Few actresses are as willing to "let their freak flag fly" (as *fleshy flagpoles* rise *well* above half-mast) as leggy, ballsy Bai. She's also made some really *great* movies; her unforgettably chilling, sexually sinister performance in the "Dumplings" segment of K-horror masterpiece *Three...Extremes* is a Ling-lover *must-see*. In *Edmond* (2005, right), she's *psychede-lickable* as "Peep Show Girl." Bai's no hippie...just tantalizingly *trippy*...a "piece" who *disturbs* the peace (in the prettiest ways!) and, yes—she's *bisexual*!

**BAI-KINI BOUNCE OUT!:** Frolicking on a public beach in Malibu, Bai had a "Mali-boob moment" in a blessedly skimpy 'kini! Known for not always covering her *Ling-lings*, German tabloids nicknamed her "die Berlinackte" ("the Berlinaked")!

## BRITNEY SPEARS

**CROSS THAT HEART & HOPE TO....** Can it be 10 years since BritBrit's debut album, *...Baby, One More Time*? Almost. Our sexiest self-destructer first steamed up the charts in '99, and she's reigned as the preeminent pop tart ever since, with sex (or the "Innocent" intimations of it) always figuring as key to her sugar-rush spectacles, and lust lubing her ascent even as the public perception of the Cheetos lover went down the tabloid toilet. Nonetheless, few others in the biz survive such scandal: the drankin', the Federline, the shaved head, the fender-benders, ambulance rides & standoff with the LAPD! Britney, like her slammin' bod, takes a lickin' and....

**YOU WANT A PIECE OF THIS!** Brit mesmerizes the masses every time she flashes her *panty-free poon* or waxes *splashtastic* in a string/schwing! bikini. No matter what her trubs—this is *Britney's* decade. The rest of us are just leering at it.

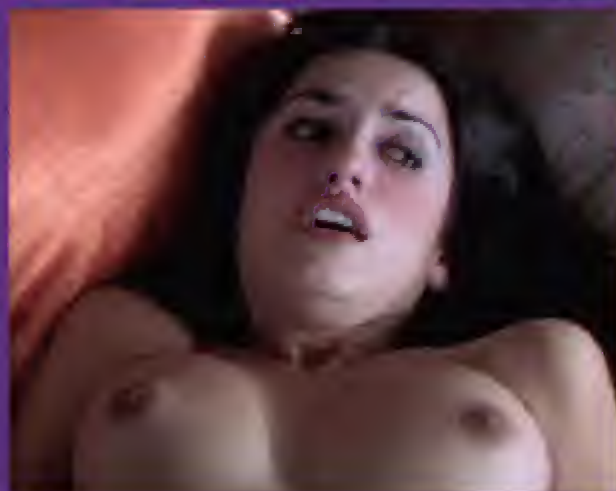

## PENÉLOPE CRUZ

**FOX FACT:** "Pe" appeared with her sister, Monica, in a music vid for their bro Eduardo's rock song, "Cosas Que Contar." In it, each sexy sis lustily sucks on a lolly as they dub their voices onto the soundtrack of a lesbo porno. It'll have you *Cruz-in'* for a *spewin'*!

**DREAM NIÑA:** "The Madonna of Madrid" has beguiled ballers worldwide since her part(s) in the international smash *Jamón, jamón* (1992, right & below), as fans went *all-wood* for the *fleshy pink* Pe displays throughout. *The Girl of Your Dreams* (1998, right, bottom), with Pe as Macarena, makes us glad she ditched former beau Tom Cruise and refused whatever Katie Holmes swallowed!

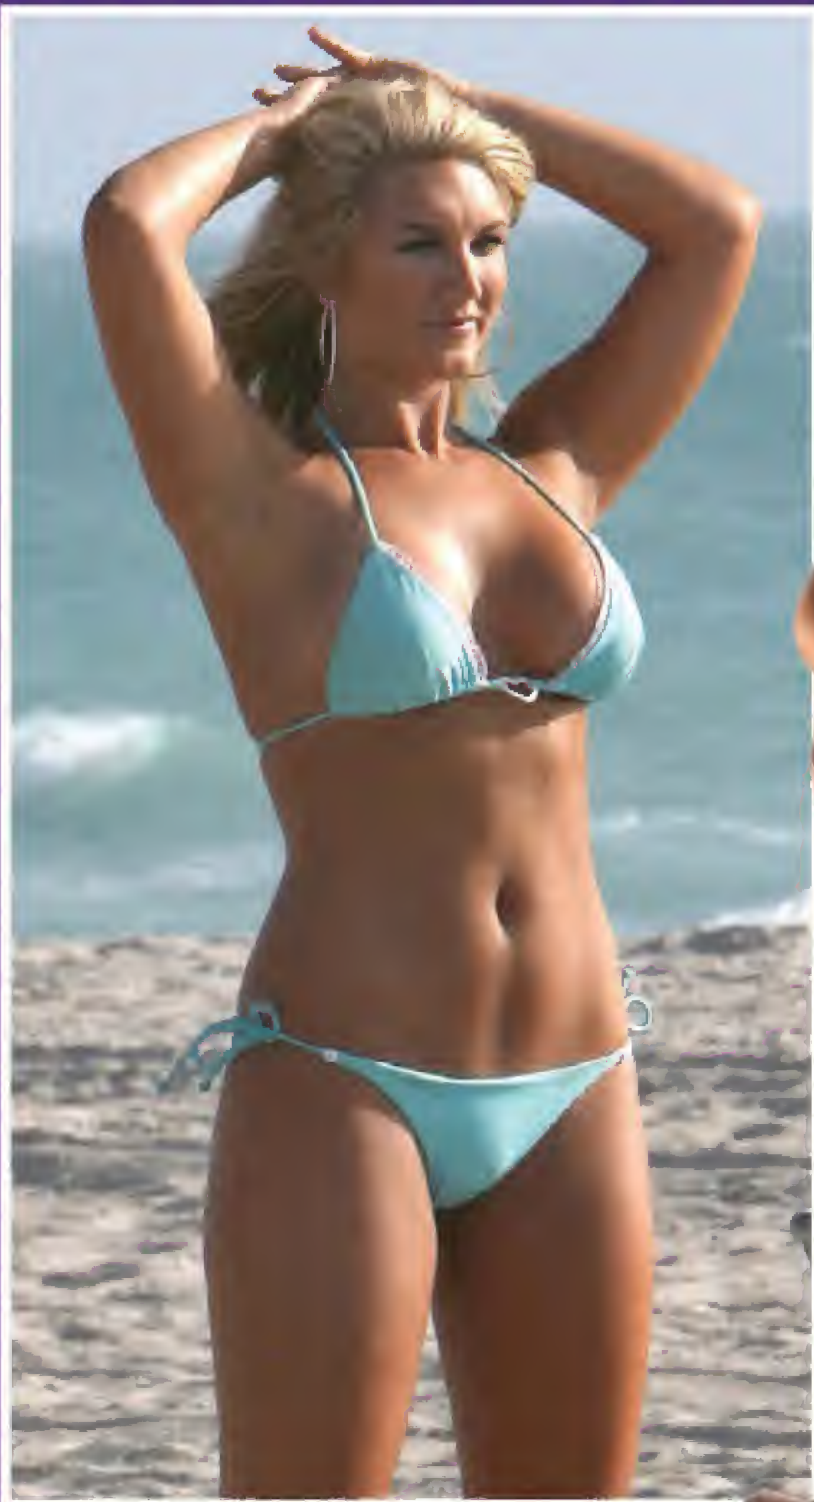

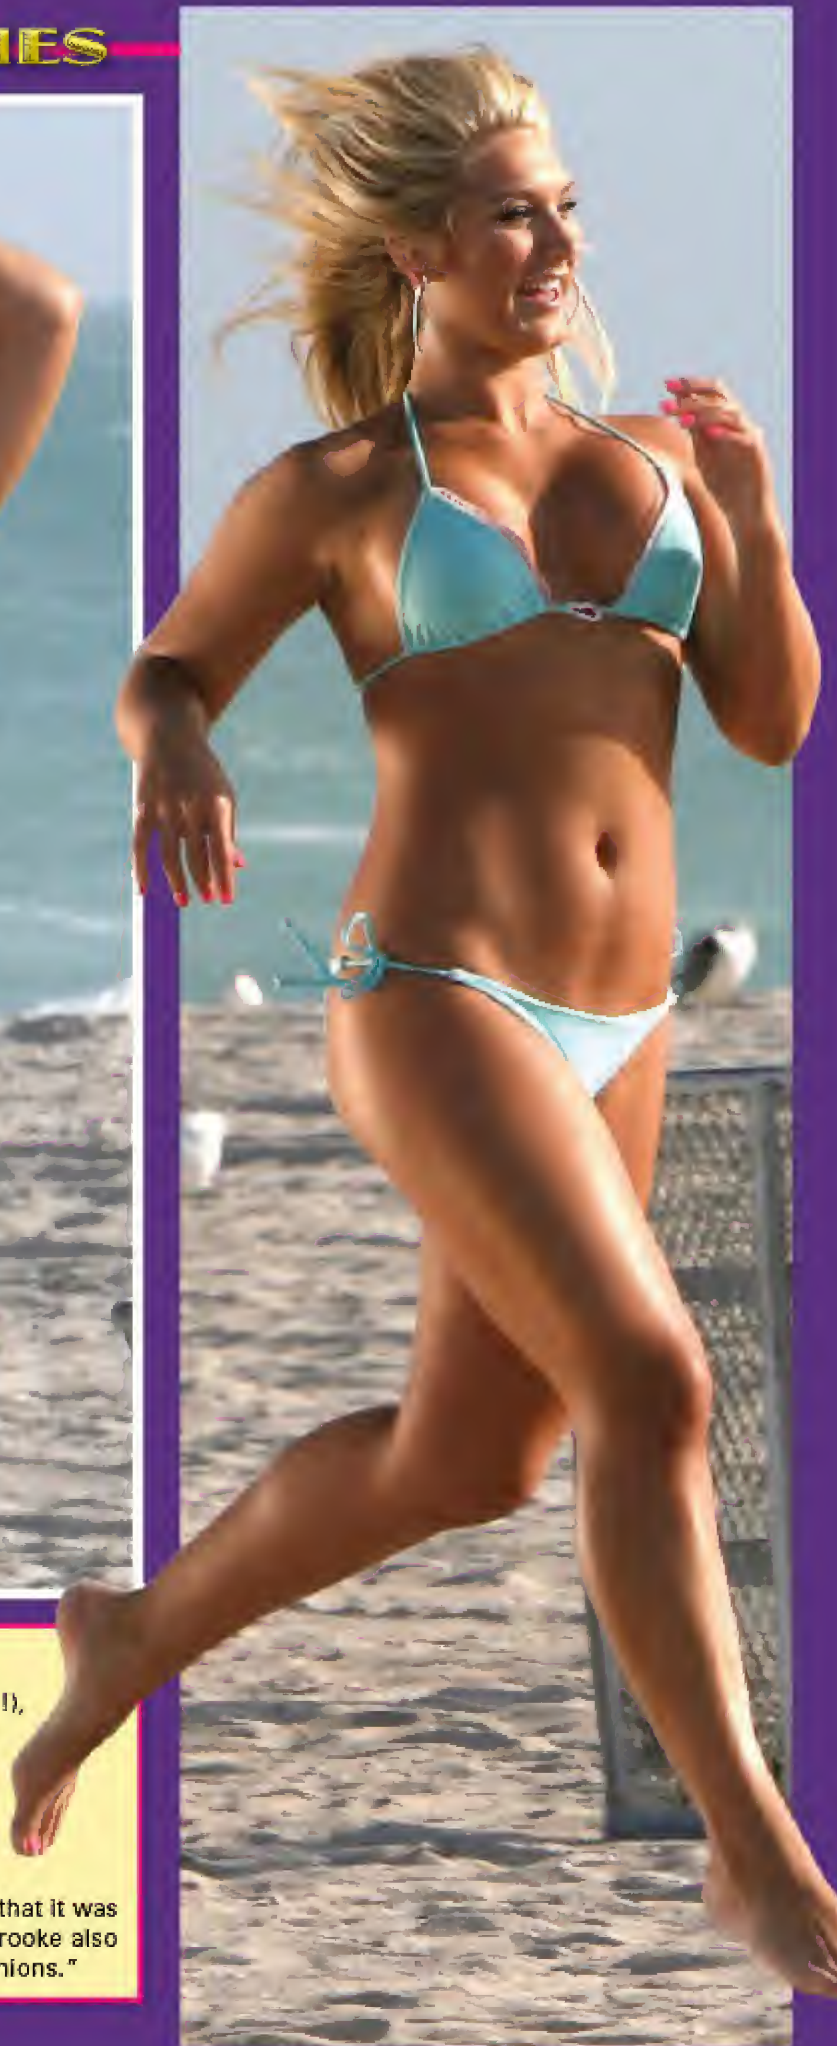

**SPANISH FLY...GIRL:** She *hot-tongue-wrestles* with Scarlett Johansson in Woody Allen's upcoming *Vicky Cristina Barcelona* (2008); meanwhile, dive into these recent beach pix, where the Iberian eye-fu! flaunts her *cheeky* side for your *chorizo*!

## BROOKE HOGAN

**BLONDE & BUILT:** Fit, flaxen, ambitious & 5'11" (!!!), Brooke Ellen Bollea is very much her daddy's daughter. Her proud papa is muscle-loaded wrestling icon and *American Gladiators* host Terry Bollea. Of course, they're both known by their stage names: Brooke and Hulk Hogan. Beginning with her '04 album *Everything to Me*, Brooke's been a promising pop tart; 2005 VH1 special, *(Inside) Out: Hulk Hogan, Stage Dad*, proved so popular that it was spun off into the reality TV series *Hogan Knows Best*. Brooke also regularly turns fans on with her notoriously skimpy "fashions."

## MENA SUVARI

**AMERICAN BOOTY!:** She became a Hollywood *hard-on* with her girl-next-door-&-something-more breakout performance in much-celebrated-yet-strangely-wanting *American Beauty* (1999, opposite, right). Winningly wanton as cheerleader Angela Hayes, she went from walk-on wannabe to overnight sex-sation. Time's proven, however, that this blue-eyed blonde's anything *but* a girl-next-door, as Mena virtually stepped *out* of the limelight the second it sought her, marrying (& divorcing) a guy 16 years her senior, taking out-there roles rather than become a typecast pair of tits—& shaving her head *baby-smooth* for 2008's *The Garden of Eden*.

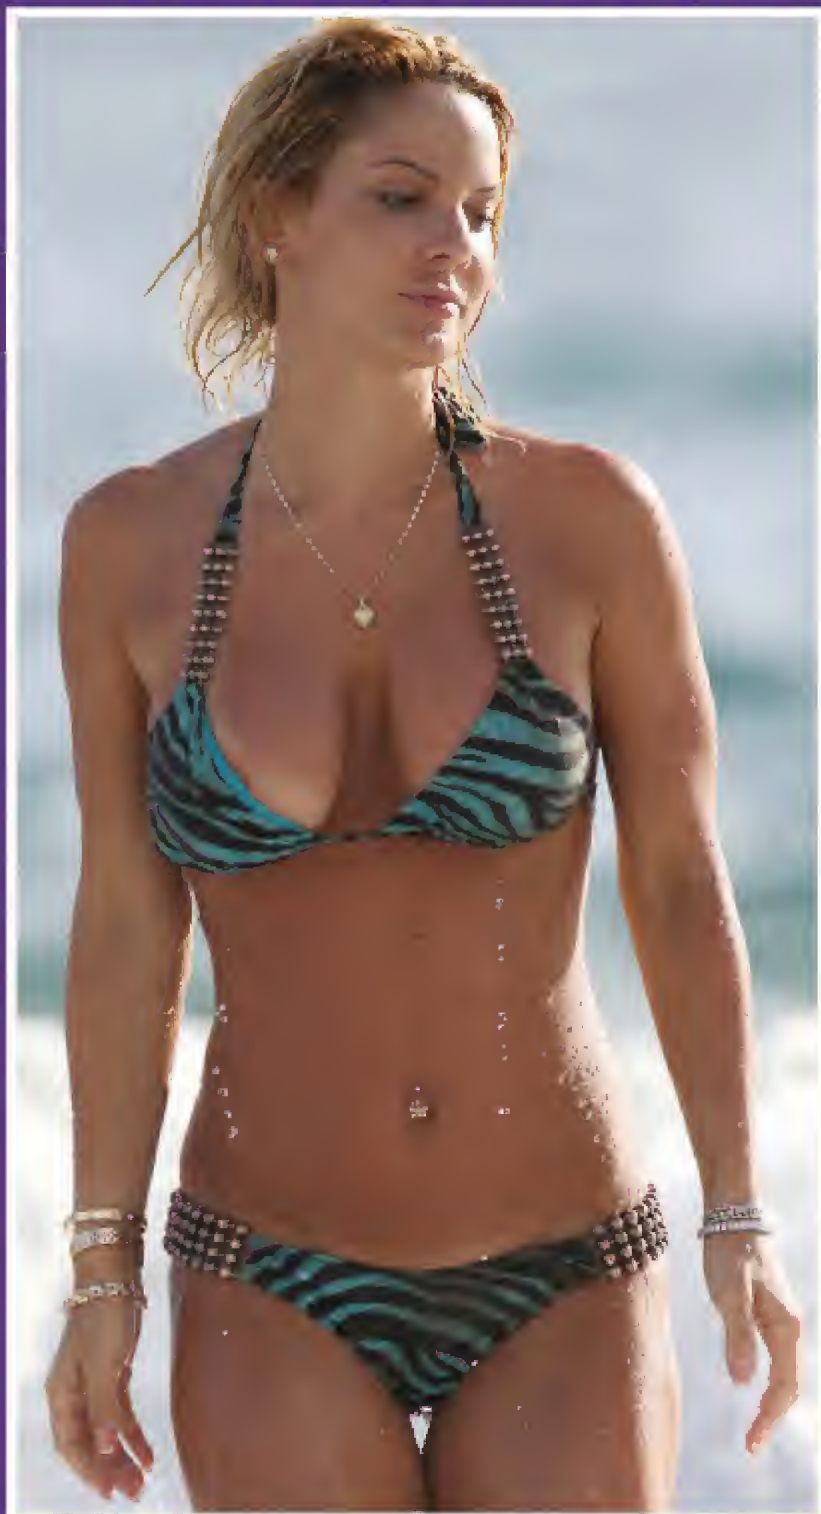

**MENA, SEX MACHINE-A:** In *Beauty*, as the archetype of prime teen *tall*, she compels a man to destroy his life with enticements like: "I was hoping you'd give me a bath. I'm very, very dirty." Today, she's an inked outsider with a *brickhouse-built bum!*

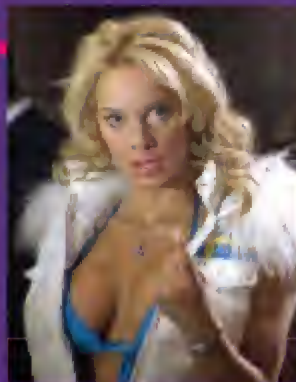

## SIMONA FUSCO

HER STEAMY SITE: [simonafusco.com](http://simonafusco.com)

**BOOBS+BEER=NIRVANA:** This self-described "rising star" will make your "riser" feel stiffer than *rebar*! Friskily *fun-bagged* Fusco's been bewitching Hollywood powerbrokers for years, with showbiz columnist James Bacon once describing her as "the most spectacular-looking blonde since Marilyn Monroe!" This *power-boobed* bombshell was a natural choice for embodying an intoxicating German fraulein named Ulsa in frothy *Beer Fest* (2006, spread)—even if her surgically pumped-up *milk-steins* aren't quite natural, themselves. Anyway, after a few frosty ones—who cares?

**THEY "PLUMP" WHEN YOU TAN 'EM:** Despite her Teutonic appearance, Simona was actually born in Milan, Italy—fitting, when you consider the mighty peaks of the Italian Alps! Sexy Simona's *super-size suckables* never fail to give us a *bone-a*.

## GEMMA ATKINSON

**34E BEAUTY:** Sapphire-eyed sexbomb Gemma got *nut*-noticed on *Hollyoaks*, a popular teen soap in the UK (think: *90210*, with *much* better titty action!), playing Lisa Hunter. Breast enhancement paved the way for men to *crave* her, and this juggy "Gem" is one of Britain's *bustiest* "glamour models," with her *juicy jubbles* measuring in at a *jizz-dropping* 34E! 2008 sees her embarking on a 228 km walk along the Great Wall of China as part of a charity event, as well as starring in Brit indie flick *Boogie Woogie* alongside not-as-top-heavy-but-still-stacked Heather Graham. If you're a breast man, you'll "boogie" your "woogie" *senseless* for Gem's *jigglers*!

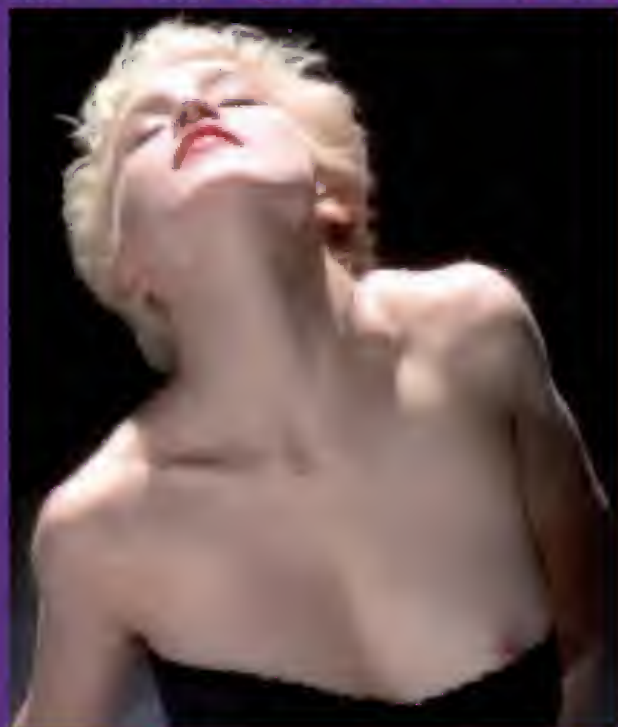

**"ATKINSON DIET" LEADS TO 100% MAN-PROTEIN!:** On Gemma's taut 'n' tan tummy, a tattooed trail of stars beckons ballers to boldly go below! We give ups to the artist who inked 'em; he used a steady hand—*despite those gigundo glands!*

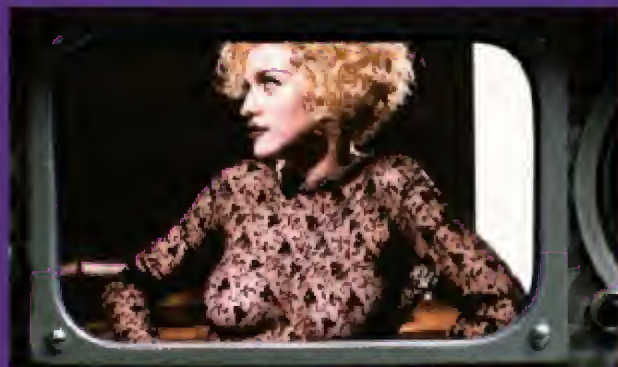

## MADONNA

**CHOICE MADONNA:** "Why did God create men? Because vibrators can't mow the lawn!"

**LIKE A...MILF!:** "I have the same goal I've had ever since I was a girl," states Madonna. "I want to rule the world!" It's been more than a quarter-century since Madonna first made the public's pants go pop with her debut single & scorching video, "Burning Up." Since, the hyper-erotic ultra-icon's conquered every medium, scandalized the uptight relentlessly, popularized her every fancy—from lace gloves to bisexuality to obscure Jewish mysticism! She continues to reign as, arguably, the most famous female on Earth.

**HARD CANDY, HARDER NIPPLE:** Her just-dropped album, *Hard Candy*, showcases her pop goddess mastery melded with relative "newbies" Justin Timberlake & Timbaland. The Material Girl is almost 50, but every inch of her is still *fiercely* fleshy.

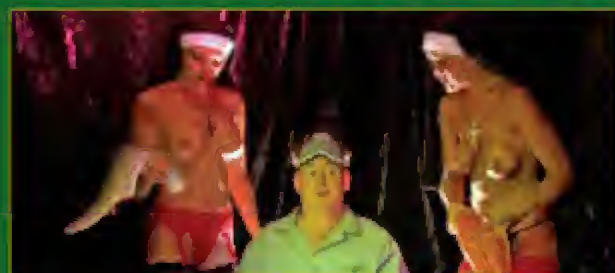

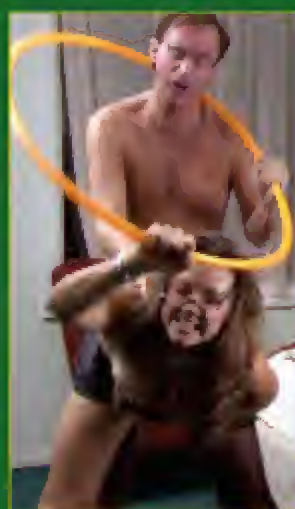

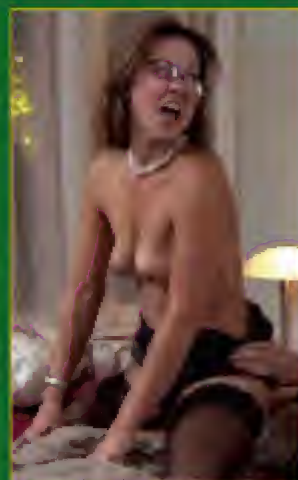

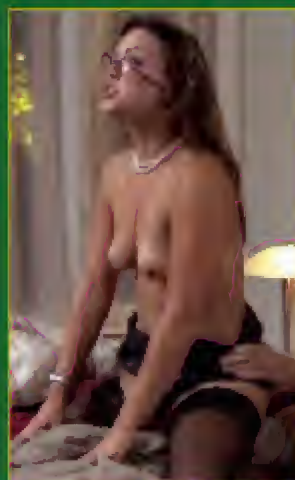

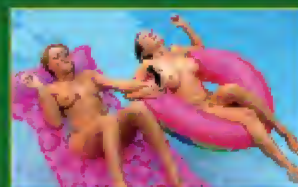

# TOTALLY BAKED

Like its predecessor, *Reefer Madness*, *Totally Baked*: A Pot-U-Mentary (2007) explores "the truth about marijuana." Since a laugh riot is sure to ensue the minute you pop in this insightful—and nudity-filled!—DVD oddity (think: *Kentucky Fried Movie* meets Michael Moore), get yourself stocked up on munchies, mellow out with a "muff" ...all the better for you and your "stoner boner" to enjoy the *tan-tittied tokers* & surprisingly smart script!

Consider this *flesh-filled* fire-up flick a chill-out "sesh" of *"Teach & Bong,"* full of *facts & thongs*, that asks: Should the weed be freed?

# BUSTY BIKINI VIXENS

Harrison Ford frowns 'neath his felt fedora in *Kingdom of the Crystal Skull*. Meanwhile, *fleshy foxes* get "felt up" in *Alabama Jones and the Busty Crusade*. "Whip" it real good for this Sapphic sex-venture!

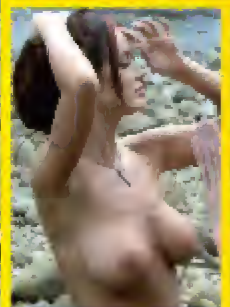

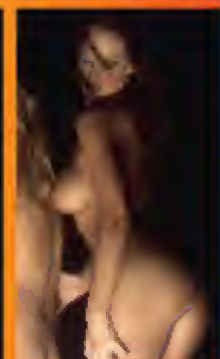

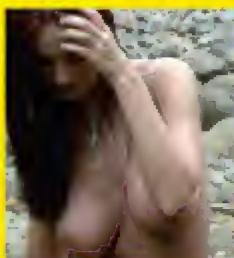

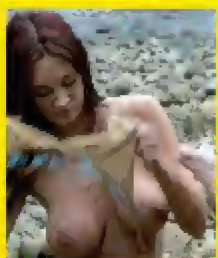

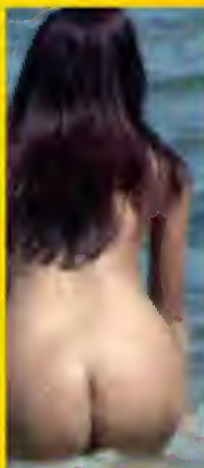

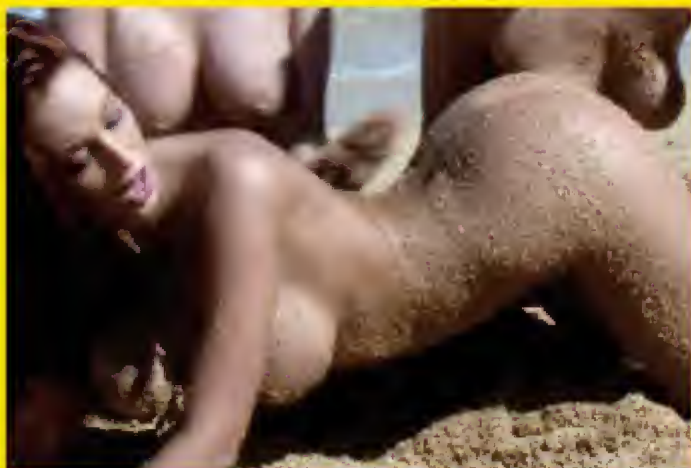

## NIKKI NOVA

**GET TO KNOW-VA NOVA:** [myspace.com/nikklnova](http://myspace.com/nikklnova)

**DARLING NIKKI:** Why shell out the green to sit in a packed movie theater and watch Harrison Ford geezer his way through the new *Indiana Jones* (In between sips from his can of Strawberry Ensure)...when you can *blow your white-wad* watching Nikki Nova in *Alabama Jones and the Busty Crusade* (2005, spread)? Scared of snakes, like Indy? With *Alabama*, the only thing serpentine will be the *cotton-covered cottonmouth* you unzip for a *flst-sllther*! This *nude-boob-a-minute*, affectionate spoof forsakes the Commies & buried treasure for...*cumming* & girl-on-girl *bush-y pleasures*!

**GETTIN' "OVA" WITH NOVA!:** As Oklahoma, Alabama's slammin' sis, *nipple-licious* Nikki must (we shit you not) prevent a sexually stimulating *mango* from getting into the wrong hands! Enough plot. Focus on nekkid Nikki & her "Hole-y Tail!"

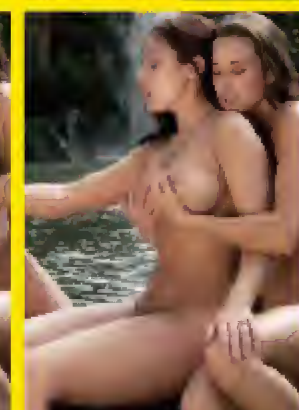

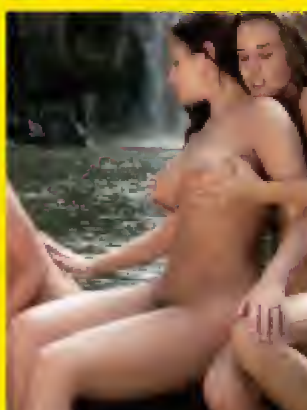

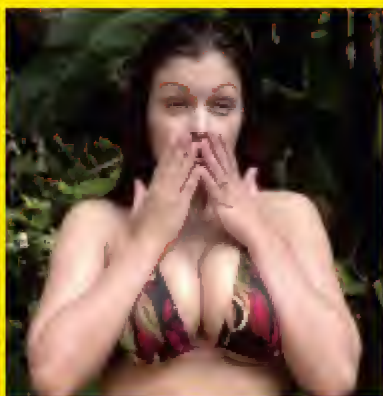

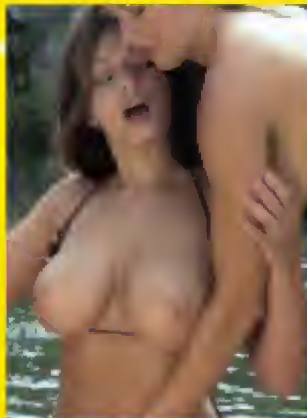

## BUSTY BIKINI VIXENS

### ARIA GIOVANNI

**HER SHOCKING CONFESSION:** "I never got asked out in high school. I went pretty much unnoticed."

**ALABAMA SLAMMERS!:** A steamy sex-venture like *Alabama Jones and the Busty Crusade* (2005, this page) would hardly be worth its weight in tittytlesh without *humongously juggy* Aria suck-cumming to a new kind of "jungle fever"—for *girly juices*! As lusty Luna with the *giant lung-covers*, Aria wastes no time strippin' bare 'n' bountiful to writhe and roll in the lush tropical setting with a band of super-boobed *whopper-worshippers*! Even surrounded by natural wonders, Aria's 34Ds are the gems that *jones* the Joneses!

**RUB-A-DUB JUGS!!** We'd never leave the shower, heck—we'd even bend over if she dropped the soap-on-a-rope!—if we could bathe Aria's huge love-bubbles as Erica Campbell does, above, in *Danni Presents Aria Giovanni The Hottest* (2006)!

# BUSTY BIKINI VIXENS

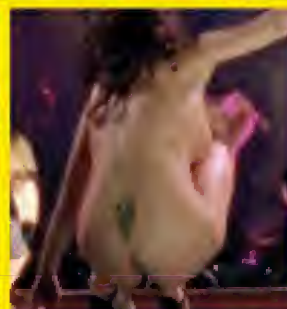

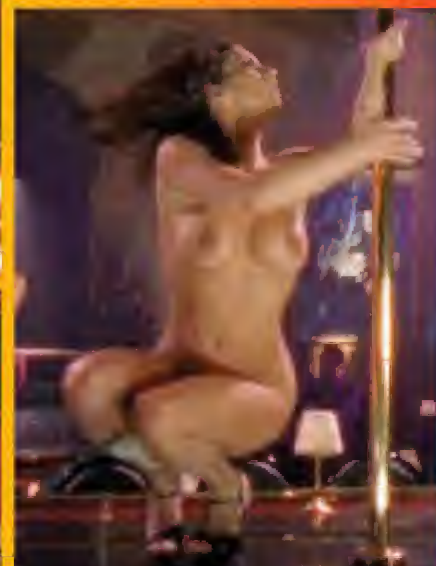

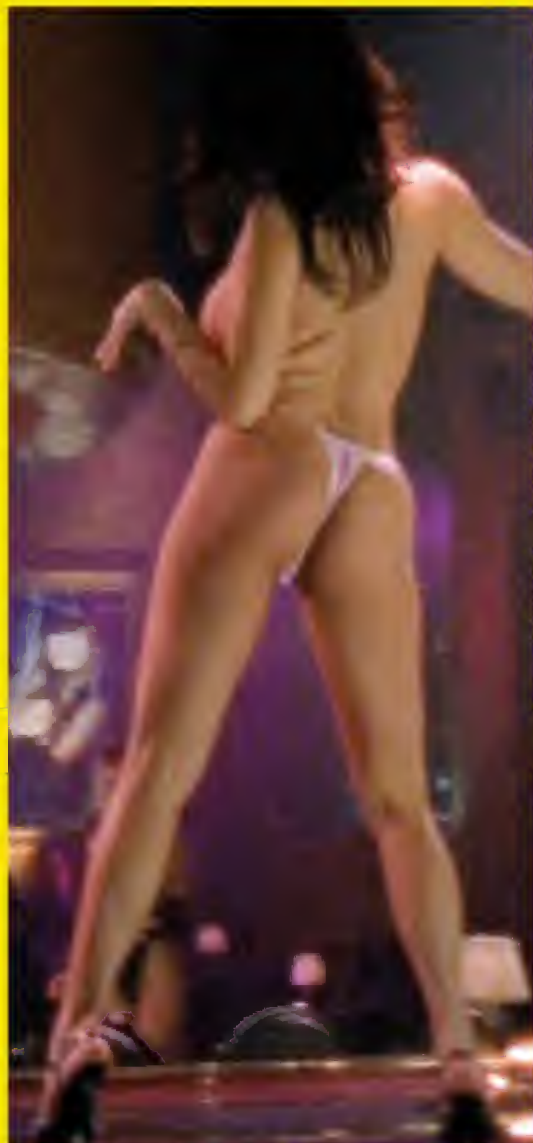

## TAIMIE HANNUM

**FLESHY FACTS:** 5'8" Taimie's mouthwatering measurements come in (hard) at 38C-26-36. Befriend heavenly Hannum at [MySpace.com/taimie](http://MySpace.com/taimie).

**TOP-HEAVY TAIMIE:** The delectable doll of late-'90s romps like *The Awakening of Gabrielle* (1999, opposite, all), tawny Taimie disappeared for a spell (how she kept her *brickhouse* physique under wraps remains a mystery!). Fortunately, the Louisiana-born *lustbomb* came back full-frontal, kicking/stripping off with *Alabama Jones and the Busty Crusade* (2005, here), where raunchy, raven-maned Taimie *licks leztastic* with Shyla...and *ripens our bananas*!

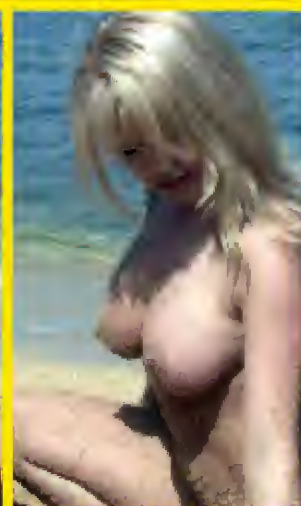

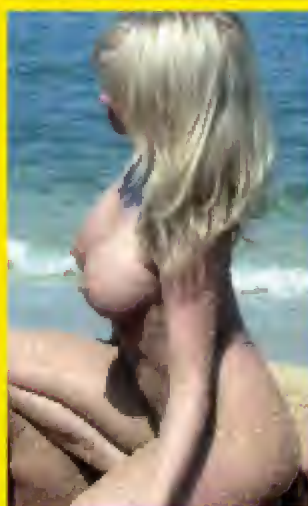

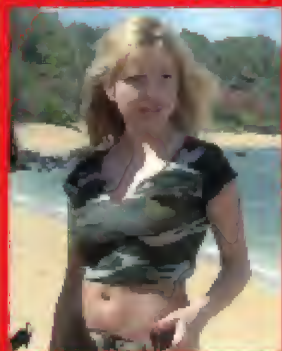

**HANDS-ON HANNUM:** Hotter-than-ever Hannum did a dude doggle-style in *The Witches of Breastwick* & re-upped for *The Witches of Breastwick 2*, doubling her *diddlin'* fun by *rub-a-dub-dubbing* with Tylene Buck and Lexi Lamour. What a *giver!*

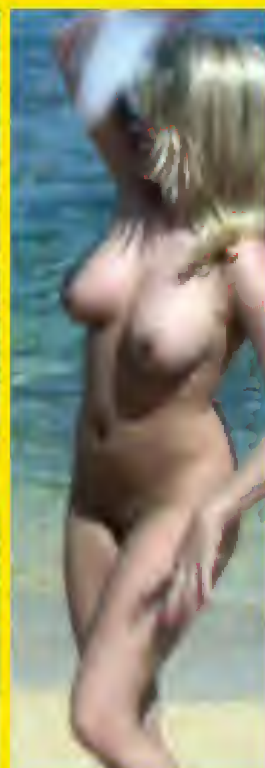

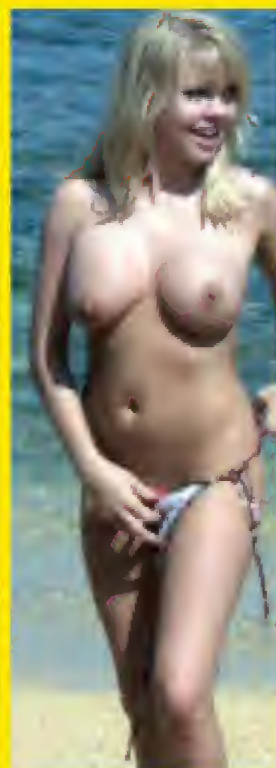

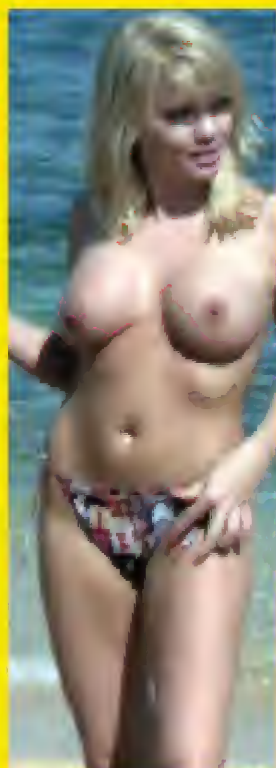

# BUSTY BIKINI VIXENS

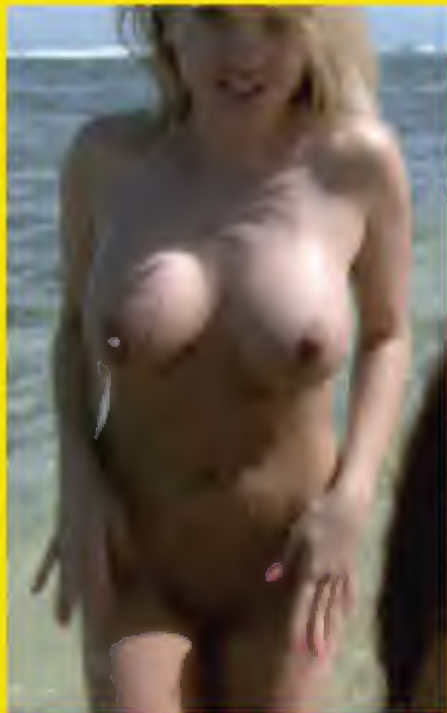

## KATIE JAMES

**SIN-DIANA JAMES!:** At 5'2" with eyes of blue and a *bra-bursting* pair of *plug-nippled suckables*, *cuppable* Katie's a petite powerhouse of carnal caprices. She debuted nude in sexy horror romp *The Back Lot Murders*, and then turned up—and *turned us on*—with a *tit-bit* part in *Rush Hour 2*. One of the mo(l)st reliably naked nymphettes in direct-to-DVD flicks, her outdoor, interracial love scene and naked group shower in *American Pie Presents Band Camp* will have you *fingering your skin-flute*...perfect *prick-tice* for her *plumpcakes* sand, sea & *pie-racy* as the titular *Jones-er*, "Bama," of *Alabama Jones and the Busty Crusade* (2005, spread).

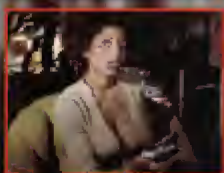

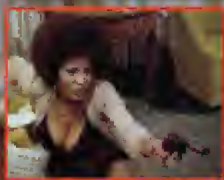

**"ALABAMA (FOR YOUR) DING-DONG!":** 'Bama-born Katie also acts under the nom-de-poon "Angela Little"—ironic, considering her *cupsize*! Prior to movie stardom, Katie made six-pack slammers dream of 69-packs as St. Pauli Girl of 2000.

SKINSIDE's MIDNIGHT MOVIE!

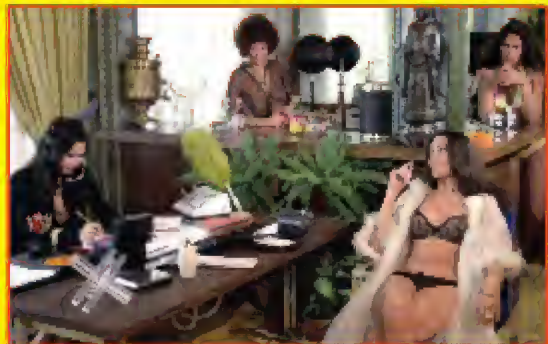

# Coffy

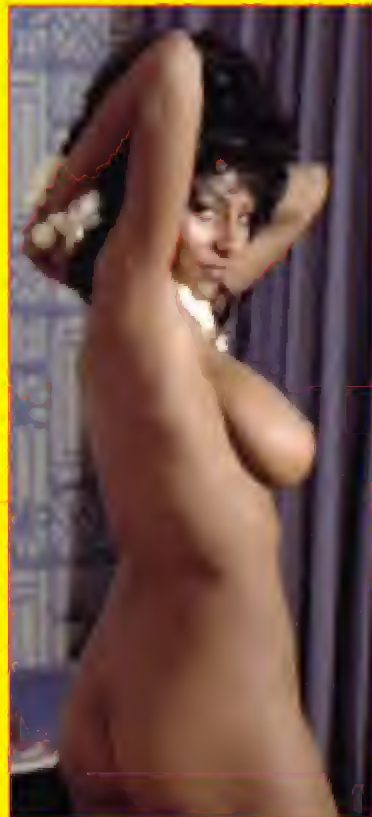

**T**he *only* movie with the pleasures of Pam Grier's enormously mouthwatering, Hershey's Kiss-nipple-tipped 38 DDs; the revolting/fascinating master character actor Sid Haig; racial disharmony; mortifying-by-PC-standards stereotypes; Black Power; afros AND wah-wah pedal galore? *Coffy* (1973)! Pure. Black. Gold. Ya dig? Right on!

"Coffy" don't need no cream, but she drives "Whitey" crazy: "She's a wild animal! I've gotta have that girl!"

## THE CASE OF THE BLOODY IRIS (1972)

**NUDES:** Edwige Fenech, Carla Bratt

**THE SKINNY:** *The Case of the Bloody Iris* is a gruesomely fun example of the sex-drenched Italian horror-mystery hybrid genre known as *giallo*, which translates literally as yellow, but which is almost always packed with *pink lady-parts*. *Skinternational* screen siren Edwige Fenech stars as a model who moves into an apartment where the two previous (young, beautiful, female) tenants were murdered. Of course, the slayer could no more fail to return and stir up trouble than Edwige could fail to get fantastically naked. And she is *Bloody* hot!

## THE GOOD HUMOR MAN (2005)

**NUDES:** Cameron Richardson, Claire Titelman

**THE SKINNY:** The retro coming-of-age saga *The Good Humor Man* takes place in 1976 and tracks Jay Skibness (Nathan Stevens), whose mellow groove of good times, good friends and kind bud goes kablooeey when his best friend kills a dude from a rival clique. *The Good Humor Man* is a well-made and moving tale that—better still—with its bare-boobed Bicentennial-era babes, will put quite the *pop*sicle in your bell-bottoms!

## NATURAL WONDERS (2008)

**NUDES:** Jelena Jensen, Felicia Fox, Jamie Lynn, Jaime Hammer, Anita Dark, Shay Laren, Monique Dane, Ginger Jolie, Monica Mendez

**THE SKINNY:** Consider the declaration on the cover of the new (and, as always, nude) release from *Peach DVD Natural Wonders*: "There is only one thing in this world that can trump the beauty of the Taj Mahal or the Great Pyramids of Giza, and that is the female body!" The movie then proves that one thing via nine naked knockouts strutting their surgically untouched perfection in a series of *stupendous* sex scenes, both solo and Sapphic in nature. May these *Wonders* never cease!

Robert Taylor and fabulously sexy Nadia Farès play a married couple whose boating expedition goes severely awry when a storm forces them onto an island crawling with cannibalistic creeps. ### THE VOYEUR (1994)

**NUDES:** Cristina Garavaglia, Raffaella Offidani, Katarina Vasilissa

**THE SKINNY:** *The Voyeur* (1994) is a sumptuously salacious romp from Italy's undisputed king of erotic cinema, Tinto Brass (*Caligula*, *Salon Kitty*). Dodò (Francesco Casale) is a college professor who, after his wife (Katarina Vasilissa) leaves him, can't even take solace in being surrounded by sultry coeds. In fact, Dodò doesn't know if he'll ever be able to even *touch* another woman! Good thing he can *look*, though, as *The Voyeur* plays out to be one of director Brass most scintillating celebrations of the unclothed female anatomy.

The recently rediscovered fright film *Tragic Ceremony* showcases a Keaton performance that proves she was no *one-tit* wonder. Here, Camille leads a group of hippies into what *seems* to be a peaceful village...only to find that the locals worship evil—and that they're hankering for fresh sacrifices. Various violent struggles ensue, and Camille makes it alive to a surprise end. She also makes her way out of her clothing—which, thankfully, should come as no surprise. And it sure *ain't* *Tragic*.
